<p><b>Executive Summary:</b>  City staff are finalizing a complete redesign of the City’s website. The new website will make it easier to navigate, find important information, and conduct City business online. The website redesign is the first phase of a complete public engagement platform that the City will roll out in the coming years.</p> <p>As part of the process to finalize the look and feel of the website, input has been sought from multiple stakeholder groups. The purpose of the presentation to the Government Operations Committee is to provide an opportunity for the Committee to review the draft design and provide feedback.</p>
