

**AGENDA ITEM EXECUTIVE SUMMARY**

Agenda Item number: 7.g

Title:

Recommendation to approve Tenth Street Water Tower
Painting Logo Design Selection

Presenter:

Tim Wilson

Meeting: Government Services Committee

Date: May 28, 2019

Proposed Cost: n/a

Budgeted Amount: 500,000

Not Budgeted: ☐**Executive Summary** (*if not budgeted please explain*):

This discussion will focus on the design of the desired logo for the Tenth Street Water Tower. This project is in the proposed 2019/2020 budget year, and the City is in the process of finalizing the design and bid documents.

The Tenth Street Water Tower is significantly smaller than the Campton Hills and Red Gate Water Towers; therefore the lettering and logo is significantly smaller. Staff will be providing two options for Council to view with a final recommendation from City staff to approve option #1. This option has the fox located next to the St Charles lettering; it's configured similarly the Red Gate Water Tower. This option provides the best use of available painting space including public visibility.
