<p><b>Executive Summary</b> (if not budgeted, please explain):</p> <p>Identity and Access Management software is an information security technology that enables appropriate access to technology resources across disparate technology environments. The City uses Okta Identity and Access Management software to provide secure access to cloud-based technology for City staff, as well as to enable a consistent, centralized process for managing user accounts across multiple technology platforms. To meet these needs, Okta software was first implemented in FY 2023.</p> <p>Okta software is purchased as an annual license subscription. The purchase of the software license subscription is from Carahsoft Technology Corporation through a national cooperative purchasing program called NASPO ValuePoint. NASPO ValuePoint is the cooperative purchasing arm of the National Association of State Procurement Officials, and the ValuePoint Master Agreement may be used by all governmental units of the State of Illinois.</p>
