Title: Recommendation to approve an Ordinance Amending the St. Charles Municipal Code – Title 15, “Buildings and Construction”, Chapter 15.04 “Building Code”, Section 15.04.020 "One-Family and Two-Family Residences”.

Presenter: Chief Schelstreet

Meeting: Government Operations Committee

Date: December 5, 2016

Proposed Cost: \$

Budgeted Amount: \$

Not Budgeted: **Executive Summary** *(if not budgeted please explain):*

On January 1, 2012, the residential building code requirement for the installation of fire sprinklers in all newly constructed 1 and 2-family residential structures within the City of St. Charles went in to effect. This occurred in accordance with the provisions of the 2009 editions of the International Residential Code and the National Fire Protection Association Life Safety Code as adopted by the City Council on July 19, 2010. At the time of adoption, the City Council implemented a temporary moratorium on the residential fire sprinkler provision due to the economic climate. Since that time, the City Council has adopted the updated 2015 edition of the International Residential Code. Additionally, the Fire Department continues to communicate with the Fire Departments in Geneva and Batavia in an attempt to entertain like language on this issue in all three communities. Therefore, staff requests that Council extend the current moratorium on the residential sprinkler requirement until December 31, 2017 in order to further evaluate opportunities and offer additional information.
