Executive Summary *(if not budgeted please explain):*

St. Charles Sports dba Spotted Fox Alehouse at 3615 E. Main St. currently holds a 1:00 a.m. liquor permit. The Liquor Control Commission and Government Operations Committee reviewed and approved late-night permits for FY 2022-2023 on March 21, 2022. At that time, Spotted Fox had not completed the renewal application for the liquor license, which includes the late-night permit, so was not considered at that time.

As of March 25, the application was completed and submitted along with the liquor license renewal payment. The establishment has a new manager who has been fingerprinted with no issues identified.

Because of the April 30, 2022 expiration date of the current liquor license and late-night permit, the applicant requests to have this item brought directly to the City Council Meeting later this evening for approval.
