Executive Summary *(if not budgeted please explain):*

As result of the recent COVID-19 pandemic and the anticipated future impacts of this world crisis, the City Council of St. Charles recognizes the potential disruption to City operations that will likely be caused by this public health emergency in the near future. The Illinois Municipal Code, 65 ILCS 5/11-1-6, provides for the declaration of a state of emergency and the grant of extraordinary authority to the Mayor by the corporate authorities; and the Illinois Emergency Management Agency Act, 20 ILCS 3305/11, further provides for emergency local disaster declaration by the principal executive officer or his or her interim emergency successor.

It is the policy of the City of St. Charles that the City will be prepared to address any emergencies and, therefore, pursuant to Section 5/11-1-6 of the Illinois Municipal Code, Section 20 ILCS 3305/11 of the Illinois Emergency Management Agency Act and Sections 2.34, entitled “Civil Emergency,” and 2.36, entitled “Emergency Management Agency of the Code of the City,” it is necessary and appropriate to establish standards for the determination of whether a state of emergency exists authorizing the Mayor to exercise extraordinary power and authority, by executive order, during the possible state of emergency, to ensure that the effects are mitigated and minimized and that residents and visitors in the City remain safe and secure.

On March 18, the City Council approved Ordinance 2020-M-11 Establishing Temporary Executive Powers Pursuant to 65 ILCS 5/11-1-6, 20 ILCS 3305/11 and Sections 2.34 and 2.36 of the City of St. Charles Code.

On April 6, 2020 the City Council approved Ordinance 2020-M-12 Confirming and Extending a Declared State of Emergency Within the City of St. Charles Due to the COVID-19 Pandemic.
