Executive Summary *(if not budgeted please explain):*

State statutes require Aldermen with an ownership or leasehold interest in property located within the boundaries of a TIF District to disclose such interest to the Corporate Authorities and file such disclosure with the City Clerk. The Corporate Authorities then acknowledge the disclosure and direct the City Clerk to record the disclosure within the minute books of the Corporate Authorities.

Alderman Bongard has an ownership and leasehold interest in 50 South First Street, Unit 200. This property is located within the boundaries of the City’s Central Downtown TIF District (TIF #7). Alderman Bongard has filed the required disclosure with the City Clerk, and the attached resolution acknowledges the required filing, attached to the Resolution as Exhibit A.

State statute Section 65 ILCS 5/11-74.4-4(n) further requires Alderman Bongard “...shall refrain from any further official involvement in regard to such redevelopment plan, project or area, from voting on any matter pertaining to such redevelopment plan, project, or area, or communicating with other members concerning corporate authorities, commission or employees concerning any matter pertaining to said redevelopment plan, project or area” due to his ownership interest in 50 South First Street. This provision in effect prohibits Alderman Bongard from discussing any matter relating to TIF #7 with other municipal elected or appointed officials, employees, and consultants. Further, Alderman Bongard would need to recuse himself from any discussion or votes taken at public meetings.

Alderman Bongard has provided and executed the appropriate disclosures and has discussed the matter with City Attorney Peppers and me and understands the statutory requirements. Staff recommends approval of the resolution.
