Executive Summary (if not budgeted please explain):

Enclosed are tax levy ordinances for levy year 2018 to be collected during calendar year 2019. As discussed at the November 5 City Council meeting, this year’s operating tax levy contemplates an increase in the tax levy proportionate to the increase in the City’s EAV to maintain a consistent tax rate while providing additional property tax revenue for the City. The EAV of the City is not finalized at this time so staff is unable to calculate the precise amount of additional revenue generated. The proposed increase to the City’s tax levy follows 9 years of a frozen levy in the amount of \$12,055,117 dating back to 2009. The ordinances enclosed also incorporate the Mental Health Board levy, as well as fully funding the City’s Police and Fire Pension Funds based on our independent actuary’s recommendation.

The levy amount presented also incorporates the amount necessary for principal and interest payments on the City’s general obligation bond issues. It is anticipated that the debt service property tax levies will be abated in their entirety during early 2019. The City has historically made these principal and interest payments from the general revenue stream rather than the property tax revenue stream. Amounts presented for the operating levy assume full abatement of debt levies consistent with prior City practice.

Staff is anticipating that the EAV of the City will increase by approximately 4.00%. If this occurs, the dollar amount of the City’s tax levy would increase to \$12,537,176 from \$12,055,117 (\$482,059 or 4%). However, the City’s tax rate would remain unchanged at \$0.8463/\$100 of EAV. This would have the impact of increasing the property tax bill for our residents. It is estimated that a house with a market value of \$300,000 would see an annual increase of \$33.84 (\$2.82 per month) assuming a 4% increase in EAV. It is staff’s current intent to adjust the dollar amount of the levy as necessary to maintain a consistent property tax rate as compared to the 2017 tax levy year (\$0.8463/\$100 EAV). We would have the ability to adjust to this amount until the levy is finalized in early spring 2019.

In addition to the operating levy the proposed 2018 levy year amounts for the City’s 9 active Special Service Areas (SSA’s) are also enclosed. The SSA’s are not taxes applicable to all City residents generally, but represent small geographic areas within the City that receive services (primarily maintenance of common storm water detention areas) which the City provides. The benefitting property owners pay an additional property tax to fund those additional maintenance services.
