Date: September 20, 2021

Proposed Cost: \$ 110,790

Budgeted Amount: \$ 33,000

Not Budgeted: **Executive Summary** *(if not budgeted please explain):*

The Police and Public Works Departments have identified a need to replace three front-line police interceptor vehicles. When vehicle purchases were put on hold in 2020, the Police Department had only one squad identified as being due for replacement in the budget. After a year of routine fleet utilization, two additional units now meet replacement criteria. Funds in addition to those budgeted will be transferred from Law Enforcement Equipment Escrow.

Morrow Brothers Ford of Greenfield, IL holds the contract for Illinois local government joint purchasing for these units through the State of Illinois Department of Central Management Services Contract No. 9100000847.

Staff has been working with Morrow Bros. to source the vehicles. Currently, two units are available on the lot. Given the national vehicle shortage, the lead time for a new unit from the factory is anticipated to be up to 30 weeks.
