Dear Chief Swanson,

I would like to thank you for the opportunity to apply to be a Fire and Police Commissioner. My career as a firefighter / paramedic has given me exposure and knowledge relating to the sworn civil service system and processes.

As a resident of St Charles for approximately 20 years, I am consistently impressed with the service and professionalism of the city staff and would like to ensure that it will continue. I have a strong desire to give back to the City that has kept me and my family protected and safe.

Sincerely,

Wedge Lazenby
