PREAMBLE

AGREEMENT entered into this 20th day of July, 2022, by and between the **CITY OF ST. CHARLES, ILLINOIS**, (hereinafter called "Employer") and **LOCAL UNION NO. 196 OF THE INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS, AFL-CIO** (hereinafter called "**Union**" or "**IBEW**").

Inasmuch as the Employer and the Union desire to establish a standard of conditions under which the employees shall work for the Employer during the term of this Agreement and to regulate the mutual relations between the parties with the view of securing harmonious cooperation and for the settling of any disputes, **IT IS AGREED AS FOLLOWS:**

ARTICLE I – EFFECTIVE DATE; TERMINATION; AMENDMENTS

Section 1.1. Effective Date

This Agreement shall take effect May 1, 2022, and will remain in effect until April 30, 2026, and upon successive budgeting for and approval by the City shall remain in effect from May 1 until April 30 of the fiscal year for which such budget and approval have occurred but no longer than April 30, 2026.

Section 1.2. Termination

Either party desiring to change or terminate this Agreement must notify the other in writing by registered mail at least 60 days prior to April 30, 2026, or any year thereafter. Whenever notice is given for changes, the nature of the changes desired must be specified in the notice.

Section 1.3. Amendments

The rights created by this Agreement can be modified at any time by Agreement of accredited representatives of the Union and Employer. With the approval of the Steward and Business Manager, the Employer can put modifications of this Agreement into effect pending the securing of any further necessary approval.

ARTICLE II – APPROVAL OF AGREEMENT

Section 2.1. Violation of Laws

None of the provisions of this Agreement shall be construed to require either the Employer or the Union to violate any Federal or State laws, and in the event any provisions hereto should conflict with any such law, such provision shall be modified to the extent necessary to conform to such law.

Section 2.2. Protection of Employer

The Union will, at all times, use all legitimate means and its best effort to further and protect the interest of the Employer.

Section 2.3. Subject to Union's Approval

It is understood that this Agreement is subject to the approval of the President of the International Brotherhood of Electrical Workers (IBEW).

ARTICLE III – RECOGNITION OF UNION

Section 3.1. Recognition

- A. The Union is recognized as the collective bargaining agent with respect to rates of pay, hours of employment, and other conditions of employment for all employees working in the Electric Services Division of the Public Works Department in the classification of Electric Line - Foreman, Electric Line – Sr. Crew Leader, Electric Line - Crew Leader, Lineman, Apprentice Lineman, and Electric Locator for the Employer.
- B. The Union's representation shall extend to any new classifications resulting from the City's combining, eliminating or modifying of duties now performed by the employees in the foregoing classifications but shall not extend to any employees or classifications not included in the Board's order or to any clerical employees, administrative employees, supervisors, managers, or guards as defined by the Illinois Public Employee Labor Relations Act.
- C. In the event the City establishes any new titles by combining, eliminating or modifying duties currently performed by employees in the Bargaining Unit, the Union shall be notified of such new titles and assigned duties. The City shall determine an appropriate rate of pay based on those rates in effect for similar titles. Employer agrees to meet and negotiate with Union, when requested within 30 calendar days after the notification to the Chief Union Steward and Local 196 Batavia office for the purpose of negotiating the new rate.

Section 3.2. Dues Deductions

Upon receipt of "Dues Deduction Authorization," from an employee in a position defined under Section 3.1, the Employer shall deduct each month IBEW dues in the amount certified by the IBEW from the pay of the employee.

ARTICLE IV – MANAGEMENT RIGHTS

Section 4.1. Management Rights.

- A. General Rights Reserved. This Agreement does not abridge the City's right to manage. The "right to manage" includes rights: to establish the number of employees to be employed and the skills and/or other qualifications employees must possess in order to become and to remain employees of the City; to hire, evaluate the performance of, assign work to and to maintain discipline among employees (including rights to promulgate and enforce reasonable work rules and rules of conduct appropriate to City employment, and to warn, suspend, demote, or discharge for just

cause any employee who breaches same), or to contract out for provision of goods or services by other entities.

- B. The foregoing are not all-inclusive but represent in general terms the broad areas within which the City retains exclusive authority. These rights are subject to limitation by the express terms of this Agreement and by the Illinois Public Relations Act, but may not be ignored by the Union or by an arbitrator.
- C. Supervision. Supervisors and Division Managers are expected primarily to instruct employees and contractors, direct the work of employees, enforce discipline, and perform other functions of management.

ARTICLE V – STOPPAGE OF WORK

Section 5.1. No Strike

During the term of this Agreement, neither the Union nor any officers, agents or employees covered by this Agreement will instigate, promote, sponsor, engage in, or condone any strike, sympathy strike, slowdown, sit down, concerted stoppage of work, concerted refusal to perform overtime, concerted work-to-the-rule situation, mass absenteeism, picketing (with regard to wages, hours, or terms and conditions of employment) for or against the City or at the home or outside business of any elected official of the City, picketing in a City uniform or any other concerted intentional interruption or disruption of the operations of the City, regardless of the reason for so doing. The City and the Union agree to work together to resolve any potentially hostile situation in the event of a legally established picket line. Any or all employees who violate any of the provisions of this article may be discharged or otherwise disciplined by the City.

Each employee who holds the position of officer or steward of the Union occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this article. In addition, in the event of a violation of this section of this article the Union agrees to inform its members of their obligations under this Agreement and to direct them to return to work.

Section 5.2. No Lockout

The City will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Union.

ARTICLE VI – SETTLEMENT OF DISPUTES

Section 6.1. Handling of Complaints

It is mutually desirable that all matters relating to employment, including any grievance or complaints, be adjusted within the Employer's place of business, if possible. The Employer agrees to meet and treat with respect the duly accredited representatives of the

Union relative to all such matters. Unless, by mutual consent, any different procedure is adopted, the matter shall be handled in accordance with the following steps:

- A. Between the aggrieved employee and his Division Manager, and
- B. Between representatives of the Union, including its Business Manager and the Department Director and/or his designee.

Section 6.2. Charges against Employee

Upon conclusion of an investigation which may result in disciplinary action against an employee, the Union will be notified of any charges resulting from the investigation against said employee(s) within two working days after employee's receipt of such charges.

For discipline other than verbal and written warnings, the Union shall be notified of such discipline within one working day after employee's receipt of such discipline. For any discipline issued related to the violation of violence in the workplace policy, anti-harassment policy, drug/alcohol policy and theft (refer to Section 8.8), the Union shall be notified of such discipline within one working day after employee's receipt of such discipline.

Section 6.3. Grievance Procedure

It is mutually desirable and hereby agreed that all grievances shall be handled in accordance with the following steps. For the purposes of this Agreement, a grievance is any dispute or difference of opinion raised by an employee or the Union against the Employer involving the meaning, interpretation, or application of the provisions of this Agreement.

STEP 1: Any employee who has a grievance shall discuss it with the Division Manager. Grievances will be discussed first with the Division Manager within five working days of the incident or the occurrence first giving rise to the grievance. The Division Manager shall give his answer to the employee within five working days after such discussion.

STEP 2: If a remedy is not reached in Step 1, the grievance shall be reduced to writing (see Appendix A) and presented by the Union to the Department Director and/or his designee within five working days following the Division Manager's answer in Step 1. The grievant, the Union, a human resources representative, and the Department Director and/or designee shall meet to discuss the grievance at this step. The Department Director and/or his designee shall attempt to resolve the grievance as soon as possible but shall give his answer in writing to the Union within five working days after the grievance meeting.

STEP 3: If not adjusted in Step 2, the Union shall request a meeting with the City Administrator or his representative designated within five working days of the answer in Step 2. The meeting shall be held at a mutually agreeable

time and place. If the grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the parties. If no settlement is reached, the City Administrator or his designated representative shall give the Union the Employer's answer within ten working days following their meeting.

STEP 4: Grievances that are not adjusted between the Employer and the Union, as provided above, may be referred to arbitration upon written request of the Union made within ten working days of the Employer's answer in Step 3. When arbitration is requested, the parties shall attempt to agree on the selection of an arbitrator. If an agreement cannot be reached within ten working days from the date of which arbitration is requested, then the Federal Mediation and Conciliation Service shall be requested to submit a list of five arbitrators, pursuant to the rules of the association. From such a list of arbitrators, the grieving party shall then strike two names and the other party shall then strike two names and the person whose name remains shall be the arbitrator. Provided, however, that either party shall have the right to reject one list of arbitrators and to ask for a new list from the FMCS arbitrators shall have no right to ignore, add to, take from, or modify any of the provisions of this Agreement.

Section 6.4. Union's Right to Discipline

The Union reserves the right to discipline its members for violation of its laws, rules, and agreements.

ARTICLE VII - SENIORITY

Section 7.1. Definition

Seniority, as used herein, shall mean the length of service in continuous employment of the Employer. An employee's seniority shall date from the time of his employment except as outlined in Section 11.3 Apprentice to Lineman Seniority or where service is interrupted by reason of layoff, resignation, or discharge. Layoffs shall not terminate the seniority of any employee, except as provided below.

Section 7.2. Termination of Seniority

The Unit seniority of an employee shall terminate under any of the following conditions:

- A. When laid off for a period of more than one year.
- B. When an employee resigns his employment with the Employer.
- C. When an employee is discharged for just cause.
- D. When an employee transfers from his position represented by the IBEW, but remains employed by the City in a position in another collective bargaining unit or non-union position, after a period of 24 months have passed while holding a new position.

- E. When an employee fails to return to work within two weeks after written notice by registered mail to his last known address requesting such return.

Section 7.3. Promotions within the Bargaining Unit

final determination of qualifications for promotions shall be made by the Employer, except that any dispute, which may arise in connection with any such matter, shall be handled in accordance with the provisions of this Agreement for the settlement of disputes.

Section 7.4. Layoffs; Recalls

Should it become necessary to lay off any employee on account of lack of work or reduction of forces, layoffs shall be made in the inverse order of Unit seniority of the employees within their occupational group defined as Locator - Electric; Linemen - Electric; Crew Leader - Electric; Sr. Crew Leader - Electric; and Foreman - Electric. A more senior employee may bump another employee in a lower occupational group if the employee is fully qualified to perform the duties of that position at time of lay off. The employee must notify the Employer within two working days of the date of the layoff notice of his intent to bump.

The Employer shall give each such employee or employees affected a reasonable notice in advance, normally not less than 15 days. In lieu of advance notice, however, the City may provide 120 hours straight-time severance pay to the employee or employees being laid off. If, thereafter, a vacancy occurs in an IBEW position, the laid-off employee shall be offered the opportunity of filling same in accordance with his seniority status, provided such laid off employee has recall rights (refer to Section 7.2) and is fully qualified to perform the duties of the position at time of recall.

If a Foreman - Electric/Crew Leader - Electric/Lineman - Electric bumps to a lower occupational group within the IBEW due to layoffs, he holds his rights to his higher position for two years. If after two years the position becomes available, the position will be posted per Section 12.4 Posting and Available Positions. Occupational groups are as follows:

- Foreman - Electric
- Sr. Crew Leader - Electric
- Crew Leader - Electric
- Lineman - Electric
- Apprentice Lineman - Electric
- Locator - Electric

Section 7.5. Injuries

If any employee covered by this Agreement is injured while not in the performance of his duty (outside of working hours, on vacation, on weekends, or on holidays), or becomes ill, he shall continue his seniority rights for a period of three months from his last working day. If the illness or injury continues beyond three months and the employee is not able to return to work, the employee must make application for a second three months sick leave of absence period in order to continue his seniority rights. Medical certificates

indicating that the employee cannot perform his assigned duties for his job classification will be required. Employees ill or incapacitated due to injury beyond six months must apply for reemployment with a statement of when he expects to be available. Any employee who is employed by the Department maintains the record of seniority, which he possessed at the time of making application. Seniority will not accumulate beyond the first year of absence for illness or injury specified in this Article. An employee returning to work in accordance with this Article shall return to his former classification.

ARTICLE VIII – WORKING CONDITIONS

Section 8.1. Safety Rules

In order to have a safe place to work, the City agrees to comply with all laws applicable to its operations concerning the safety of employees covered by this Agreement. All such employees shall comply with all safety rules and regulations established by the City.

Section 8.2. Prescription Safety Glasses

Prescription tinted and clear safety glasses shall be provided by the Employer with the employee providing the examination and prescription. Glasses will be replaced at the discretion of the Department Director or designee.

Section 8.3. Safety Shoes

Employees are required to wear safety footwear. The safety footwear must be approved by the Division Manager or his designee. Employees are expected to wear this safety footwear while at work, and the footwear must be in good, safe condition. Employees are responsible for cleaning and maintenance of their safety footwear including replacement necessitated by normal wear, and shall maintain a professional appearance at all times. For the purposes of purchasing safety footwear, employees will receive a yearly stipend in the amount of \$300 paid no later than the second payroll following May 1st of each year of this Bargaining Agreement.

Section 8.4. Tools

The Employer shall furnish to the employee all tools and equipment necessary to perform his duties. Suitable rain protection equipment shall be furnished by the Employer for employees required to work outdoors during inclement weather. The employee will be responsible for their return in good condition, with reasonable wear and tear.

Section 8.5. Tuition Reimbursement

The Employer shall reimburse employees for tuition costs of job-related educational courses in accordance with the Employer's normal tuition reimbursement program.

Section 8.6. Drug/Alcohol Substance Use Policy

Drug and alcohol issues shall be handled in accordance with City policy. Violations of such policy shall be subject to the grievance procedures. The employer will notify the Union whenever the policy changes.

Section 8.7. American with Disabilities Act (ADA)

The City may take any steps necessary to implement and maintain full compliance with the ADA.

Section 8.8. Termination and Disciplinary Action

The Employer shall have the right to discharge any non-probationary employee at any time for a justifiable cause, such as incompetence, repeated safety violations, insubordination, dishonesty, intoxication, or the use of controlled substances and a probationary employee for any reason at all. The Union steward shall be notified in advance of investigatory meetings that may result in discipline. Coachings are not considered discipline. Any delay in notification shall not impact the employer's right to issue discipline. In the event any employee is discharged or discriminated against, such employee found to have been unjustly discharged shall be reinstated to his job, with seniority rights, and he shall be compensated at his regular rate of wages for all time. An employee may be discharged for minor violations or given time off for minor violations if prior verbal and written warnings have been issued.

Parties agree that should an employee receive a written reprimand or an oral reprimand that has been reduced to writing, and filed in the employee's personnel file, and should the employee not receive any further written reprimands or oral reprimands of the same nature, for a period of 12 consecutive months, then, upon the employee's written request, his personnel file shall be purged of the previous written reprimand or oral reprimand. Provided, however, that any such discipline pertaining to harassment, workplace violence or threats, theft, or misappropriation of property shall not be subject to purge from the employee's personnel file. Also provided that, to the extent the employee offers personnel documents, including but not limited to commendations or evaluations, older than 12 months in any forum, then the Employer may offer evidence of reprimands older than 12 months in order to provide a balanced picture of the employee's prior performance.

Section 8.9. Discrimination for Union Activities

No employee shall be discriminated against for any Union activities, or in any way so as to violate the letter or spirit of this Agreement.

ARTICLE IX – PAID TIME OFF

Section 9.1. Vacation Scheduling

The Division Manager or his designee shall establish a vacation schedule for employees sufficiently early each year so that all employees can plan their own schedules and so that the Foreman can program the work of the Department. Vacation schedules shall be arranged so as to provide minimal disruption so the work of the Division can be reasonably achieved. For like positions, unit seniority shall govern for the granting of priorities for vacation scheduling and shall be subject to the final approval of the Division Manager or his designee.

An employee must request five or more days of vacation no later than two weeks prior to the anticipated date of use. The supervisor or his designee will approve or deny such vacation requests within one week of the request. An employee may request between one to four days of vacation 24 hours in advance before the start of the workday that time

off is requested. Employees may use vacation in increments of one-half day or more. For this purpose, one-half day shall equal the time before or after 11:00 a.m. Leave may not be taken without the approval of supervision conditioned on such advance notice requirements as the Division Manager or his designee may specify in line with departmental need.

Section 9.8. Sick Leave Accrual

Sick leave with full pay shall be credited to all regular employees at the rate of one workday for each full month of service for one employee. Additional sick leave may be allowed and paid for on either full or partial basis upon approval of the Department Director and Human Resources. Appeals may be done in accordance with City policy. Sick leave shall not be considered as a privilege that an employee may use at his discretion but shall be allowed only in case of a necessity and actual sickness or disability of the employee. In addition, sick leave may be used for a maximum of six days per year, for the following reasons: the illness, injury or medical appointment of the employee's child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent. For birth of a child and/or sickness other than a child, the Family & Medical Leave Act (FMLA) will apply.
