Executive Summary *(if not budgeted please explain):*

The attached ordinance revisions attempt to codify several changes being proposed to our liquor code that are the result of conversations from our business community.

Proprietors have asked for consistency amongst neighboring communities and/or changes in the marketplace that necessitate these changes.

The gas station license. Code Section 5.08.090 (Class A-6). This interest comes as a change in the market place where we have seen communities in our region ask for additional opportunities to sell alcohol as an ancillary item to convenience purchases. The total square footage of alcohol sales cannot exceed over 10% of the gas station retail square footage.
