PORCH FEATURES

The porch is simple in design, it is square in plan, one story in height, and crowned by a low-pitched hipped roof supported by two square columns at the exterior corners of the porch. The kneewall, columns, and spandrel are clad in stucco. The spandrel between the columns and the columns to the main facade feature a subtle triangular arch design.

ARCHITECTURAL DESCRIPTION: GENERAL

SIGNIFICANT/CHARACTER-DEFINING FEATURES

See feature descriptions under roofs, windows, doors, and porches; One-story projections including the enclosed sunroom and alcove at the east and north facades, respectively; Some historic windows.

ALTERATIONS AND/OR ADDITIONS

Windows may have been replaced; Carport added at west façade.

OUTBUILDINGS/SECONDARY BUILDINGS

One story hipped roof garage clad in stucco with a hipped roof dormer (the window at the door is a three-light awning or hopper), a historic carport extends from the west facade of the residence over the driveway which leads from Park Avenue to the garage at the rear of the site.
