**Jeff Motter**

Mr. Motter requested the City Council vote no on the IMEA contract. He feels that the contract with IMEA would not provide a sustainable future for the City of St. Charles. Mr. Motter mentioned there are more options to consider and asked the Council to investigate them. Mr. Motter explained there are long-term implications to examine.

**Kelly Rotella**

Good Evening. My name is Kelly Rotella and I am here tonight to ask you, as members of the St. Charles City Council, to vote NO on the early renewal of the IMEA contract.

The proposed contract is for sole source procurement. However, this is not St. Charles' only option. Given that St. Charles pays approximately \$40.8 million a year for our electricity, the total value of this contract is likely over \$800 million. Based on the size of this contract, I would hope that we would use a competitive bid process to determine what energy provider will supply St. Charles with the most sustainable energy mix for the next 20 years. Competition would give the City Council the strongest negotiation position among a group of vendors that would vie for our business.

I am aware that IMEA's projected schedule provides for the roll out of the new contract in February 2024, presentations by IMEA's PR team to its 32 members in March 2024, and the opportunity to review and approve the contracts by April 30, 2025. It is my understanding that this City Council will be asked to vote on the approval in early June 2024.

What is the advantage for St. Charles to renew 9 months prior to IMEA's own deadline?

Asking the St. Charles City Council to vote on the renewal contract only 3 months after receiving the contract has the following detrimental impacts on St. Charles' financial and energy future:

It provides zero time for the City Council to get competitive bids on a very large and strategic contract.

It provides little time for public input or feedback into St. Charles' energy future.

It ignores the potential financial benefits provided to municipal utilities under the Inflation Reduction Act and other federal and state clean energy programs.

I understand some of the reasons why it is good for IMEA to secure these commitments early. But I do not see why the early renew is good for the City of St. Charles, its residents and its businesses.

Please vote NO for the early renewal of this contract.

**10. Additional Items from Mayor, Council or Staff**

	Title:	<b>Motion to Approve an Ordinance Amending Title 13, “Public Utilities, Chapter 13.12 “Sewer” of the St. Charles Municipal Code to Allow for Changes in the Rate Structure for the Sewer Utility</b>

<p><b>Executive Summary</b> (if not budgeted, please explain):</p> <p><i>At the February 5, 2024 Government Operations Committee (GOC) meeting, the attached Ordinance to amend Title 13.12 “Sewer” of the St. Charles Municipal Code to allow for changes in the rate structure for the water utility was approved. The Ordinance now is on the agenda for final approval by the City Council. Below is the information provided to the GOC.</i></p> <p>At the January 22, 2024 Winter Budget Workshop, a presentation was provided on the increasing cost of Water and Sewer Fund operations, annual debt service requirements due to new IEPA loans necessary to complete critical capital projects, and other capital project needs requiring funding.</p> <p>As conveyed at the Workshop, although a significant rate increase is needed to address the funding needs in the Water and Sewer Funds, staff recognizes that a significant increase may be difficult for many customers. Instead, staff proposed as one option a series of moderate, 5% water and sewer rate increases over a four-year period effective for bills issued after June 1<sup>st</sup> of 2024 and each June 1<sup>st</sup> through 2027. These increases would provide some of the funding needed for operations and annual debt service requirements, and provide some additional funds for capital improvements to the systems. As part of this plan, staff will also look into supplementing, if necessary, the Water and Sewer Funds with other City resources in order to ensure critical capital projects necessary for system capacity and replacement continue moving forward.</p> <p>Approval of multi-year rate increases allows the City to better plan for the funding of operations, debt service, and capital needs for the water and sewer funds.</p> <p>The City is currently working with consultants to complete a facility master plan for the electric, water and sewer utilities. It is anticipated that these studies will be completed in fiscal year 2025. The City then plans to evaluate options and proposals for a comprehensive utility rate study in order to develop rate options and structure for the future.</p> <p>No rate increases are recommended at this time for the electric utility. The last time the City increased electric rates was five (5) years ago in 2019. The financial impact of a 5% water and sewer rate increase</p>			

on a current typical utility bill with electric, water and sewer of \$270 is about \$7 per month, or an increase of about 2.8% overall on the monthly utility bill.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ST. CHARLES, KANE AND DUPAGE COUNTIES, ILLINOIS, as follows:

Section 1. That Title 13, “Public Utilities,” Section 13.12.830, “Charges for Residential Users,” and Section 13.12.840, “User Charges for Metered Water Consumption and Nonresidential Use,” are hereby deleted in their entirety and in lieu thereof the following language shall be substituted:

“13.12.830 Charges for Residential Users

A. The residential sewer user charge shall be as follows:

1. The following rates shall be charged monthly for sewer service to all residential users of City sewers, based upon metered water consumption effective for bills issued subsequent to June 1 of the following years, with a maximum sewer charge not to exceed 130% of a residential user’s winter quarter water usage average. The residential user’s “winter quarter” water usage shall be defined as the water that is billed to the user in the months of January, February, and March. 	Title:	<b>Motion to Approve an Ordinance Amending Title 13, “Public Utilities, Chapter 13.16 “Water” of the St. Charles Municipal Code to Allow for Changes in the Rate Structure for the Water Utility</b>

<p><b>Executive Summary</b> (if not budgeted, please explain):</p> <p><i>At the February 5, 2024 Government Operations Committee (GOC) meeting, the attached Ordinance to amend Title 13.16 “Water” of the St. Charles Municipal Code to allow for changes in the rate structure for the water utility was approved. The Ordinance now is on the agenda for final approval by the City Council. Below is the information provided to the GOC.</i></p> <p>At the January 22, 2024 Winter Budget Workshop, a presentation was provided on the increasing cost of Water and Sewer Fund operations, annual debt service requirements due to new IEPA loans necessary to complete critical capital projects, and other capital project needs requiring funding.</p> <p>As conveyed at the Workshop, although a significant rate increase is needed to address the funding needs in the Water and Sewer Funds, staff recognizes that a significant increase may be difficult for many customers. Instead, staff proposed as one option a series of moderate, 5% water and sewer rate increases over a four-year period effective for bills issued after June 1<sup>st</sup> of 2024 and each June 1<sup>st</sup> through 2027. These increases would provide some of the funding needed for operations and annual debt service requirements, and provide some additional funds for capital improvements to the systems. As part of this plan, staff will also look into supplementing, if necessary, the Water and Sewer Funds with other City resources in order to ensure critical capital projects necessary for system capacity and replacement continue moving forward.</p> <p>Approval of multi-year rate increases allows the City to better plan for the funding of operations, debt service, and capital needs for the water and sewer funds.</p> <p>The City is currently working with consultants to complete a facility master plan for the electric, water and sewer utilities. It is anticipated that these studies will be completed in fiscal year 2025. The City then plans to evaluate options and proposals for a comprehensive utility rate study in order to develop rate options and structure for the future.</p> <p>No rate increases are recommended at this time for the electric utility. The last time the City increased electric rates was five (5) years ago in 2019. The financial impact of a 5% water and sewer rate increase</p>			

on a current typical utility bill with electric, water and sewer of \$270 is about \$7 per month, or an increase of about 2.8% overall on the monthly utility bill.

	Title:	Recommendation to approve an Ordinance Amending Ordinance No. 2023-M-17 with Regard to the Deferred Imposition of a Municipal Push Tax on Plays of Video Gaming Terminals	
	Presenter:	Heather McGuire, City Administrator	
Meeting: Government Operations Committee		Date: February 5, 2024	
Proposed Cost: \$		Budgeted Amount: \$	Not Budgeted: <input type="checkbox"/>
<b>Executive Summary</b> (if not budgeted please explain):			
<p><b>As a reminder, the information below was presented on May 1, 2023, to approve Ordinance 2023-M-17. The original effective date for imposition of the push tax was set as May 1, 2022. The effective date for imposition of the push tax was extended to May 1, 2023, by Ordinance No. 2022-M-42. It was extended again on May 1, 2023, to December 1, 2023, by Ordinance No. 2023-M-17 to allow appropriate time for some of these issues to develop before the tax is implemented. Since there continues to be a lack of regulatory guidance and pending litigation that creates uncertainty about how the tax may be imposed, this Ordinance defers the implementation of the tax to January 1, 2025.</b></p> <p>On October 27, 2021, the legislature amended SB 3136 (the “Bill”) to include limiting language regarding municipal “Push Taxes” for Video Gaming Terminals. The amendment stated that “Any home rule municipality that has adopted an ordinance imposing an amusement tax on persons who participate in the playing of video gaming terminals on or before November 1, 2021, may continue to impose such amusement tax pursuant to such ordinance but shall not increase, expand, or extend the tax or tax rate on such persons participating in playing video gaming terminals in excess of that tax or rate set forth in such ordinance and shall not otherwise impose any other tax upon any entity or person identified in subsection (c).” <i>As a result, we are required to pass an ordinance imposing such tax prior to November 1<sup>st</sup> in order to preserve our ability to do so.</i></p> <p>The Ordinance is drafted to reflect the intent of passing the tax through to the user of the terminal. It is not intended to be a tax on the Operator or impact the businesses who have Video Gaming Terminals. The Ordinance permits the Operators to determine how to collect the tax from the users. However, because of the condensed timeline with the amendment to and passage of the Bill, we anticipate modifications, rules, and regulations regarding the imposition, collection, and distribution of this tax in the coming months. We will monitor any changes and will bring any issues to City Council for discussion as necessary.</p> <p>In addition, there is a pending litigation challenging the “push tax” and its implementation. The outcome of any litigation may affect the City’s ability to implement and collect this tax in the future.</p>

If the Licensee breaches any of the provisions of this Agreement, or abandons or vacates the Office Space, the Licensor may declare this Agreement terminated upon five (5) days written notice to the Licensee. In addition, either party may, for any reason and in its sole discretion, declare this Agreement terminated upon one hundred twenty (120) days written notice to the other.

Section 13. Damage and Destruction. Licensor and its officers, contractors, agents, invitees and/or employees shall not be liable or responsible to Licensee for any loss or damage to any property or person occasioned by theft, fire, act of God, public enemy, injunction, riot, strike, insurrection, war, or court order, or for any damage or inconvenience which may arise from this Agreement, only to the extent that such loss or damage is a result of Licensor's negligence or misconduct

Section 14. Enforceability. ## **EXHIBIT A– DIGITAL FORENSICS SERVICES**

The Kane County State’s Attorney’s Office (“KCSAO”) agrees to provide access to digital forensics services by authorized KCSAO Forensic Examiner(s) to the Criminal Investigations Division of the St. Charles Police Department (“SCPD”), per the terms below:

### **Mobile Device Forensics**

KCSAO Forensic Examiner(s) will provide technical support assistance to SCPD investigators for any technical issues arising from the use of mobile device extraction tools licensed by SCPD.

In the event existing mobile device extraction tools licensed by SCPD are unable to provide an adequate mobile device extraction, KCSAO Forensic Examiner(s) will attempt to extract and return the data from the mobile device(s) using mobile device extraction tools licensed by KCSAO.

Alternatively, KCSAO Forensic Examiner(s) may liaison between SCPD and other law enforcement jurisdictions that license mobile device extraction tools and attempt to extract and return the data from the mobile device(s).

Alternatively, KCSAO Forensic Examiner(s) may provide St. Charles Police Department investigators physical custody and use of mobile device extraction tools licensed by KCSAO, such as Cellebrite Premium and/or GrayKey, at its discretion and subject to its availability.

KCSAO Forensic Examiner(s) will process phone extractions using forensic software tools (such as Cellebrite Physical Analyzer and Magnet AXIOM) into “portable” cases so that extracted artifacts may be opened and viewed by St. Charles Police Department investigators without needing specialized forensic software to be installed on St. Charles Police Department computers.

### **Computer Forensics**

KCSAO Forensic Examiner(s) will provide preview and data acquisition (“imaging”) services for computer storage media, such as hard drives, flash drives, memory cards, and other storage media.

KCSAO Forensic Examiner(s) will process computer forensic images using forensic software tools (such as Magnet AXIOM) into “portable” cases so that extracted artifacts may be opened and viewed by St. Charles Police Department investigators without needing specialized forensic software to be installed on St. Charles Police Department computers.

### **Analysis of Extracted Data**

In consideration of the intensive resources required for the analysis of digital data, KCSAO Forensic Examiner(s) may provide data analysis services in limited circumstances, depending on case triage and forensic examiner availability.

## **Search Warrant Operations**

KCSAO Forensic Examiner(s) will provide on-scene digital forensics services for knock-and-talk and search warrant operations conducted by SCPD, subject to scheduling and forensic examiner availability.

## **Reports**

KCSAO Forensic Examiner(s) will provide summary report(s) documenting data extractions and on-scene forensics assistance for law enforcement operations conducted for SCPD. KCSAO Forensic Examiner(s) will provide more detailed reports for cases involving data analysis.

## **Case Types**

In consideration of KCSAO Forensic Examiner(s) membership to the Internet Crimes Against Children (“ICAC”) Task Force and assignment to the county’s Child Exploitation Unit – which is comprised of the partnership between the Kane County State’s Attorney’s Office and the Kane County Sheriff’s Office, along with the assistance of the St. Charles Police Department – digital forensics services involving cases of technology-facilitated sex crimes against children will generally be given priority in case triage. Priority exceptions may be made for major crime types (such as homicides, human trafficking, kidnappings, etc.), subject to forensic examiner availability.

## **Availability**

In consideration of KCSAO Forensic Examiner(s) support for multiple law enforcement agencies within Kane County and occasionally in surrounding areas, the physical presence of the examiner at SCPD and availability of digital forensics services is subject to vary extensively. KCSAO Forensic Examiner(s) will nevertheless make themselves accessible by phone or e-mail, including 24/7 support in the event of exigent investigations. KCSAO Forensic Examiner(s) will keep St. Charles Police Department investigators apprised of any gaps in forensic examiner availability due to scheduled trainings or benefit time.

## **Risks of Data Extraction**

The ability to successfully acquire data varies greatly based on a number of factors, and therefore, successful data extraction is not guaranteed. While data extractions are generally considered non-destructive, a minimal risk for data loss or data inaccessibility exists. Data loss or inaccessibility may occur as a result of remote wiping, software updates and/or errors, accidental damage, device security, etc.

## **Request Form**

Individual requests for digital forensics services by SCPD to KCSAO will be made via a standardized Request for Digital Forensics Services form (Exhibit x) prior to services being performed for the purposes of efficient case management.

**Evidence and Evidentiary Procedure**

Any custodial exchanges of evidence between SCPD and KCSAO Forensic Examiner(s) (or other departments when KCSAO is acting as liaison) must adhere to accepted evidentiary procedures, including chain-of-custody and appropriate search authority.

SCPD agrees to provide KCSAO Forensic Examiner(s) the ability to store evidence within its evidence vault and/or temporary evidence storage lockers, and provide access to the services of its evidence custodian(s).

SCPD agrees to provide evidence item number designations for any evidence to be processed by KCSAO Forensic Examiner(s) for the purposes of efficient evidence management.

**County Scope**

The agreement for KCSAO to provide digital forensics services to SCPD includes its jurisdiction in both Kane and DuPage Counties.

## **Exhibit B – Computer/Phone Equipment**

Alexander Cullum, the Executive Director of the St. Charles History Museum made a presentation reviewing the mission statement and 2023 accomplishments. He thanked sponsors, volunteers and staff for their efforts. A question was asked if grants will be secured for 2024 since there were not any in 2023. Mr. Cullum explained this was due to not having an executive director for the first half of 2023 and ensured there would be more opportunity for grants in 2024. Ald. Lencioni stated he supported their efforts but does not support a funding increase from last fiscal year.

Motion by Ald. Wirball, second by Pietryla recommend approval of the Funding Request from the St. Charles History Museum in the Amount of \$60,000 in the FY 2024-2025 City Budget.

c. **Presentation of a Funding Request from the Visitors Cultural Commission for Consideration in the FY 2024-2025 City Budget.**

Bill Hannah gave a presentation on behalf of Anne Becker, the Chair of the Visitors Cultural Commission who was unable to be there. He explained the City annually budgets funds for the VCC from a portion of the City's hotel/motel tax revenue which is allocated to St. Charles-based nonprofit organizations providing programs that promote arts and cultural events within the City. The request is for an increase in the funding amount of 10-20% above the current fiscal year. Several committee members supported to meet in the middle at a 15% increase.

A request was made by Ald. Wirball to have an update on a quarterly basis available to businesses.

e. **Recommendation to approve an Ordinance Amending Title 13 “Public Utilities” Chapter 13.12 “Sewers,” of the St. Charles Municipal Code.**

Bill Hannah referred to the Winter Budget Workshop held on January 22, 2024. One of the items discussed was the significant increasing cost of Water and Sewer Fund operations, annual debt service requirements due to new IEPA loans necessary to complete critical capital projects, and other capital project needs requiring funding.

He explained although a significant rate increase is needed to address the funding needs in the Water and Sewer Funds, staff recognizes that a significant increase may be difficult for many customers. Staff proposed as one option a series of moderate, 5% water and sewer rate increases over a four-year period effective for bills issued after June 1st of 2024 and each June 1st through 2027. These increases would provide some of the funding needed for operations and annual debt service requirements, and provide some additional funds for capital improvements to the systems. As part of this plan, staff will also look into supplementing, if necessary, the Water and Sewer Funds with other City resources in order to ensure critical capital projects necessary for system capacity and replacement continue moving forward.

Approval of multi-year rate increases allows the City to better plan for the funding of operations, debt service, and capital needs for the water and sewer funds.

The City is currently working with consultants to complete a facility master plan for the electric, water and sewer utilities. It is anticipated that these studies will be completed in fiscal year 2025. The City plans to evaluate options and proposals for a comprehensive utility rate study in order to develop rate options and structure for the future.

No rate increases are recommended at this time for the electric utility. The last time the City increased electric rates was five years ago in 2019. The financial impact of a 5% water and sewer rate increase on a typical utility bill with electric, water and sewer of \$270 is about \$7 per month, or an increase of about 2.8% overall on the monthly utility bill.

Ald. Bongard expressed concern this small increase would not make a big impact. He would like the rates to remain the same until a bigger solution can be made.

Heather McGuire reminded Committee about the utility rate study that had been completed last year and Council was not comfortable implementing the recommended rate increase at that time. She explained the 5% increase will help keep pace with inflation and still fund the City operations while waiting for the secondary utility rate study to be completed.

Motion by Ald. Wirball, second by Ald. Gehm recommend approval of an Ordinance Amending Title 13 “Public Utilities” Chapter 13.12 “Sewers,” of the St. Charles Municipal Code.

**Roll Call Vote:** Ayes: Ald. Lencioni, Ald. Pietryla, Ald. Wirball, Ald. Bessner, Ald. Silkaitis, Ald. Muenz, Ald. Gehm. Nays: Ald. Foulkes, Ald. Bongard. Ald. Weber did not vote as Chair. **Motion Carried.**

f. **Recommendation to approve an Ordinance Amending Title 13 “Public Utilities” Chapter 13.16 “Water,” of the St. Charles Municipal Code.**

Motion by Ald. Pietryla, second by Ald. Gehm recommend approval of an Ordinance Amending Title 13 “Public Utilities” Chapter 13.16 “Water,” of the St. Charles Municipal Code.

**Roll Call Vote:** Ayes: Ald. Lencioni, Ald. Pietryla, Ald. Wirball, Ald. Bessner, Ald. Silkaitis, Ald. Muenz, Ald. Gehm. Nays: Ald. Foulkes, Ald. Bongard. Ald. Weber did not vote as Chair. **Motion Carried.**

6. **City Administration**

a. **Recommendation to approve an Ordinance Amending Ordinance No. 2023-M-17 with Regard to the Deferred Imposition of a Municipal Push Tax on Plays of Video Gaming Terminals.**

Heather McGuire explained this is an extension of the Ordinance that was passed on May 1, 2023. Since there continues to be a lack of regulatory guidance and pending litigation that creates uncertainty about how the tax may be imposed, this Ordinance defers the implementation of the tax to January 1, 2025. City Attorney Nick Peppers explained this case is still in the appellate court and pending that resolution.

Ald. Lencioni expressed his concern about the businesses share of this revenue stream being affected by the implementation of this tax and will not be in support of this tax in the future.

Heather McGuire explained this Ordinance is drafted to reflect the intent of passing the tax through to the user of the terminal and not a tax on the Operator or impact the businesses who have video gaming terminals. She noted if this extension is not maintained on the record, then the City loses the right to implement it on a future date.

Motion by Muenz, second by Wirball recommend to approve an Ordinance Amending Ordinance No. 2023-M-17 with Regard to the Deferred Imposition of a Municipal Push Tax on Plays of Video Gaming Terminals.

**Roll Call Vote:** Ayes: Ald. Pietryla, Ald. Wirball, Ald. Bessner, Ald. Silkaitis, Ald. Foulkes, Ald. Bongard, Ald. Muenz, Ald. Gehm. Nays: Ald. Lencioni. Ald. Weber did not vote as Chair. **Motion Carried.**

b. **Recommendation to approve a Resolution Creating a Task Force Regarding the Impact of the St. Charles Dam.**

Heather McGuire referred to the January 22, 2024 City Council Winter Workshop. She explained the United States Army Corp of Engineers released a draft study regarding removal of nine dams along the Fox River, including the St. Charles Dam. Before the City makes a determination regarding either support or opposition to removal of the Dam, the City must assess multiple factors, including gathering public input. The City believes the creation of a task force to solicit public input and analyze all the relevant information is the most prudent approach with the task force making final comments to the City by March 1, 2025. Any costs would be split by Park District and City Council to be preapproved by both groups before those expenditures would be made.

Several alderpersons expressed concern of wanting an un-biased group to be appointed to the task force.

Heather McGuire explained the task force is not designed to make a recommendation, but it will assess and provide the information that has been gathered to City Council. Mayor Vitek will bring the task force appointments before City Council on February 20 with the approval of this resolution.

Motion by Lencioni, second by Gehm recommend to approve a Resolution Creating a Task Force Regarding the Impact of the St. Charles Dam.

**Roll Call Vote:** Ayes: Ald. Lencioni, Ald. Pietryla, Ald. Wirball, Ald. Bessner, Ald. Silkaitis, Ald. Foulkes, Ald. Bongard, Ald. Muenz, Ald. Gehm. Nays: none. Ald. Weber did not vote as Chair. **Motion Carried.**

7. **Police Department**

a. **Recommendation to Approve a Resolution for a Lease License Agreement with the Kane County State's Attorney's Office for Digital Forensic Services and Use of the St. Charles Police Department's Digital Laboratory and Associated Office Space.**

Chief Jim Keegan explained the Police Department owns & operates a Forensic Recovery Evidence Device within the digital forensic lab. The Kane County State's Attorney's Office agrees to staff a member of their agency within this lab, along with associated equipment to assist in both internet-related crimes and technical support involving mobile device extraction. There is no cost to the City outside of office space and the use of digital server. All other equipment and personnel costs will be absorbed by the Kane County State's Attorney's Office.

Motion by Ald. Pietryla, second by Ald. Wirball recommend to Approve a Resolution for a Lease License Agreement with the Kane County State's Attorney's Office for Digital Forensic Services and Use of the St. Charles Police Department's Digital Laboratory and Associated Office Space.

Upon request by the City, Fox Valley shall supply the City with State Sales Taxes (as defined in Section 3.01(A)(5) below) information for the Dealership, certified as true by an officer of Fox Valley, in the format, and in compliance with the timing, as requested by the City’s Director of Finance, or designee. Fox Valley represents and warrants that all such information produced to the City pursuant to this provision is, and will be at all times in the future, true and accurate, and agrees and acknowledges that the City relies on the truth and accuracy of said information as a basis for its entering into this Agreement. Upon request by the City, Fox Valley shall submit to the City an executed Illinois Department of Revenue form PTAX 1002-21 for the Dealership with a reporting period from the Effective Date through December 31, 2033.

2.04 State Sales Taxes Reporting, Audits and Confidentiality.

- (A) Upon request by the City, Fox Valley shall provide the City with written reports of all the State Sales Taxes (as defined in Section 3.01(A)(4) below) generated by the Dealership during each calendar year of the Revenue Sharing Term (as defined in Section 3.01(B) below), as requested by the City's Director of Finance, or designee. Such reports shall be certified as true by an officer of Fox Valley. Upon request by the City, Fox Valley shall deliver said reports to the City on an annual basis before the fifteenth (15th) day following the end of the calendar quarter for which Fox Valley is reporting.

The parties acknowledge that the City has entered into a reciprocal agreement for access to State Sales Tax records with the Illinois Department of Revenue (IDOR). The City may verify the information submitted by Fox Valley by comparing sales tax data with the information maintained by IDOR. In the event of any discrepancy, the amounts maintained by IDOR will be deemed to be the correct amount of State Sales Tax revenue remitted to the City and will be the basis for calculation of any reimbursement which may be due to Fox Valley.

- (B) Upon request, the City shall have the right to audit Fox Valley's records of Project costs, sales, and State Sales Taxes (as defined in Section 3.01(A)(5) below) returns from time-to-time. The City hereby represents and warrants that any and all information regarding sales and State Sales Taxes (as defined in Section 3.01(A)(5) below) shall be confidential and used only for the purpose of calculating any amounts due and owing to Fox Valley pursuant to this Agreement. The City and Fox Valley acknowledge that Fox Valley's sales and State Sales Taxes (as defined in Section 3.01(A)(5) below) information is financial information obtained from a business that is proprietary, privileged and/or confidential, and that disclosure of the sales and State Sales Taxes (as

defined in Section 3.01(A)(5) below) information would cause competitive harm to Fox Valley, and, therefore, would not be subject to disclosure pursuant to a request under the Illinois Freedom of Information Act, 5 ILCS 140/1, *et seq*, as amended (the "FOIA"). Fox Valley agrees to reimburse the City for the reasonable attorneys' fees and costs incurred by the City in responding to any requests for information under FOIA, subpoena or otherwise relating to this Agreement or Fox Valley's sales and State Sales Taxes (as defined in Section 3.01(A)(5) below) information supplied under this Agreement. Fox Valley agrees that the City's compliance with any court order to produce information shall not subject the City to any liability hereunder for said information release; *provided, however*, the City will promptly notify Fox Valley, in writing, so that Fox Valley may seek a protective order or other appropriate remedy.

- (C) In the event Fox Valley amends any sales and use tax return upon which Fox Valley Sales Tax Allocations were made to Fox Valley pursuant to this Agreement, Fox Valley shall notify the City of such amendment within ten (10) days of filing such amended return and the City shall use its reasonable best efforts to obtain such information from the State. If, as a result of an amended return, the City owes additional Fox Valley Sales Tax Allocations to Fox Valley, such rebate shall be made promptly upon receipt by the City of such additional Sales Taxes. If, as a result of an amended return, the City is entitled to receive a portion of a Fox Valley Sales Tax Allocation back, Fox Valley shall repay such amount to the City within thirty (30) days of written notice from the City. In the event that Fox Valley is audited by the State, Fox Valley shall notify the City of such audit within ten (10) days of completion of said audit. If such audit results in adjustment to sales and use tax returns previously submitted upon which Fox Valley Sales Tax Allocations were made, upon final disposition of any changes

made as a result of such audit, any amount due and owing to a Party shall be made in the manner described above.

- 2.05 Guaranteed Occupancy and Operation of the Dealership. Fox Valley agrees that it, or its successors and assignees, shall occupy and operate the Dealership, on the Subject Property for a minimum of ten (10) years from the Commencement Date (as defined in Section 3.02 below). Fox Valley or its successors and assignees further agrees that the City shall receive State Sales Taxes (as defined in Section 3.01(A)(5) below) and Home Rule Sales Taxes (as defined in Section 3.01(A)(2) below) from the Dealership, for a minimum of ten (10) years from the Commencement Date (as defined in Section 3.02 below).
- 2.06 Real Estate Taxes and Other Charges. Fox Valley hereby covenants and agrees to promptly pay or cause to be paid before becoming delinquent, subject to any appeal rights, any and all real estate taxes and governmental charges of general applicability that may at any time be lawfully finally assessed with respect to the Project and any portion of the Dealership which is owned and controlled by Fox Valley.
- 2.07 Certification of Project Costs. Fox Valley shall supply the City with a statement of the costs of the Project certified as true by an officer of Fox Valley, and such other information reasonably requested by the City. Fox Valley represents and warrants that all such information produced to the City pursuant to this provision is, and will be at all times in the future, true and accurate, and agrees and acknowledges that the City may, and does, rely on the truth and accuracy of said information as a basis for its entering into this Agreement.
- 2.08 No Default. Fox Valley shall not be in default of any term of this Agreement.

**ARTICLE III**  
**CITY OBLIGATIONS AND UNDERTAKINGS**

3.01 Economic Assistance.

(A) Definitions.

- (1) "Annual Sales Tax Floor" shall be Two Hundred Forty-Five Thousand Four Hundred Fifty and 00/100 Dollars (\$245,450.00), to be increased three percent (3%) every twelve (12) months after the Commencement Date, during the term of this Agreement.
- (2) "Fox Valley Sales Tax Allocation" shall be seventy-five percent (75%) for years 1 through 10.
- (3) "Fox Valley Sales Taxes" shall be: (i) those State Sales Taxes generated by the Dealership, which are distributed to the City by the State of Illinois, in excess of the Annual Sales Tax Floor, after the Commencement Date, during the Revenue Sharing Term of this Agreement, multiplied by (ii) the Fox Valley Sales Tax Allocation.
- (4) "State Sales Taxes" shall mean only those taxes imposed and collected by the State of Illinois, collected by the City and generated by Fox Valley, pursuant to the Retailers' Occupation Tax Act, 35 ILCS 120/1 *et seq.*, the Service Use Tax Act,, 35 ILCS 110/1 *et seq.*, the Service Occupation Tax Act, 35 ILCS 115/1 *et seq.*, the Use Tax Act, 35 ILCS 105/1 *et seq.*, and 66.66% of the Home Rule Municipal Retailers' Occupation Tax, 65 ILCS 5/8-11-1.

(B) Assistance.

Upon satisfaction by Fox Valley of all of the conditions stated in this Agreement, the City shall rebate to Fox Valley the Fox Valley Sales Taxes. Said payments shall be made by the City to Fox Valley for a period of ten (10) years from the

Commencement Date (as defined in Section 3.02 below) or until the Maximum Reimbursement Amount is reached, whichever occurs first (the "Revenue Sharing Term").

- 3.02 Commencement Date. Upon Fox Valley giving the City written notice that it has satisfied all of the conditions of Article II of this Agreement, the Revenue Sharing Term shall commence the first calendar day of the succeeding month (the "Commencement Date"). The City shall thereafter confirm whether Fox Valley has satisfied all of the conditions of Article II of this Agreement and determine whether Fox Valley is entitled to receive the Fox Valley Sales Taxes.
- 3.03 Payment Procedure. After the Commencement Date, subject to and so long as the City has confirmed that Fox Valley has satisfied all the conditions of Article II of this Agreement, during the Revenue Sharing Term, the City shall pay to Fox Valley the Fox Valley Sales Taxes, on an annual basis, within thirty (30) days of receipt of State Sales Taxes in an amount which results in Fox Valley Sales Taxes due to Fox Valley after calculation of the amount due based on the current Annual Sales Tax Floor for that annual period.
- 3.04 Limitations on Rebates. The Fox Valley Sales Taxes set forth herein shall be subject to the following additional terms and conditions:
- (A) Such Fox Valley Sales Taxes shall be payable to Fox Valley solely from the City's Share of State Sales Taxes actually received by the City and originating from the taxable sales activities from the Dealership, and the City shall not be obligated to pay any Fox Valley Sales Taxes identified herein from any other fund or source.
  - (B) If at any time during the term of this Agreement Fox Valley (i) relocates or otherwise transfers its operations occurring on the Subject Property to a site

located outside the corporate limits of the City, or (ii) should the Dealership be closed or vacated and not re-established within the corporate limits of the City within thirty (30) days of such closure/vacation, then in either case this Agreement shall terminate and Fox Valley shall not be entitled to any other Fox Valley Sales Taxes.

**ARTICLE IV**  
**GENERAL PROVISIONS**

- 4.01 Delay and Force Majeure. For the purposes of any of the provisions of this Agreement, neither the City nor Fox Valley, as the case may be, nor any successor in interest, shall be considered in breach of, or default in, its obligations under this Agreement in the event of any delay caused by damage or destruction by fire or other casualty, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain or storms or below freezing temperatures of abnormal degree or quantity for an abnormal duration, tornados and other events or conditions beyond the reasonable control of the Party affected which in fact interfere with the ability of such Party to discharge its respective obligations hereunder.
- 4.02 Assignment of Agreement. This Agreement may not be assigned without the City's consent, such consent not to be unreasonably withheld, and in any event, such consent shall be granted in the event such assignment does not result in a violation of 65 ILCS 5/8-11-21 or other applicable law, and said assignment is to a vehicle dealer (i) maintaining the then existing Dealership on the Subject Property in substantially the same manner, or (ii) having a principal activity on the Subject Property of the sale of new and/or used vehicles and which Dealership is not already located within the City. Fox Valley hereby agrees to indemnify and hold the City harmless from all liability, loss, cost or expense, including court costs and attorneys' fees, relating to any such judgments, awards, litigation, suits, demands, or proceedings with regard to any

assignment that violates this Section. Upon any such assignment, any reference to Fox Valley hereunder shall from and after the effective date of the assignment be deemed such assignee and Fox Valley shall thereupon have no further rights or obligations hereunder, except for the indemnification provisions set forth herein or as specifically provided for in the document governing such assignment. Notwithstanding the foregoing, Fox Valley may collaterally assign its rights hereunder to any Fox Valley lenders as security for loans to Fox Valley and/or the title holder of the Subject Property. The Parties acknowledge that this Agreement is an obligation which is for the benefit of Fox Valley, or permitted assignee, and is not a covenant running with the land.

4.03 Fox Valley Authority. Fox Valley hereby represents and warrants that it is a corporation authorized to do business in, and in good standing with, the State of Illinois. Fox Valley further represents and warrants that all corporate action necessary to make Fox Valley's obligations hereunder enforceable against Fox Valley have been taken, and that no further approvals or actions are required.

4.04 Defaults; Remedies.

(1) In the event of any default under or violation of this Agreement (the "Default"), the Party not in Default shall serve notice upon the Party in Default (the "Defaulting Party"), which notice shall be in writing and shall specify the particular Default (the "Default Notice"). The Defaulting Party shall have the right to cure the Default within thirty (30) days from written notice of such Default; provided, however, if such Default cannot practically be cured within said thirty (30) days, provided the Defaulting Party has commenced the cure within such thirty (30) day period, and is actively and diligently proceeding with such cure, the Defaulting Party shall be granted such additional time to cure the Default as shall be reasonable under the circumstances. In this regard, the Defaulting Party

shall advise the other Party, in writing, during the initial thirty (30) day cure period, of the amount of time needed to cure said Default, and why the additional time is needed. After issuance of the Default Notice, and the Defaulting Party's failure to cure within the time frame required, the Party which served the Default Notice may terminate this Agreement, or may proceed to seek a cure of the Default by any action or proceeding at law or in equity, including seeking specific performance of the covenants and agreements herein contained, and/or an award for money damages for failure of performance. Notwithstanding the foregoing, in the event of a Default by the City, relative to its obligations to Fox Valley under Article III, Fox Valley's sole and exclusive remedies shall be to terminate this Agreement or seek specific performance from a court of competent jurisdiction of any sums due under this Agreement, if any, and Fox Valley shall not be entitled and expressly waives any claims to any monetary damages from the City.

(B) In the event that Fox Valley fails to meet its obligations as set forth in Sections 2.05 and 3.04B above, other than as a result of the termination of Fox Valley's franchise by GMC-Buick, through no fault of Fox Valley, or GMC-Buick going out of business as a manufacturer of motor vehicles, the City shall have the following additional remedies, after giving Fox Valley the notice required by Section 4.04(A) above:

- (1) In the first (1st) year after the Commencement Date, the City shall be repaid one-hundred percent (100%) of any sums paid or rebated to Fox Valley pursuant to this Agreement.
- (2) In the second (2nd) year after the Commencement Date, the City shall be repaid ninety percent (90%) of any sums paid or rebated to Fox Valley pursuant to this Agreement.

- (3) In the third (3rd) year after the Commencement Date, the City shall be repaid eighty percent (80%) of any sums paid or rebated to Fox Valley pursuant to this Agreement.
  - (4) In the fourth (4th) year after the Commencement Date, the City shall be repaid seventy percent (70%) of any sums paid or rebated to Fox Valley pursuant to this Agreement.
  - (5) In the fifth (5th) year after the Commencement Date, the City shall be repaid sixty percent (60%) of any sums paid or rebated to Fox Valley pursuant to this Agreement.
  - (6) In the sixth (6th) year after the Commencement Date, the City shall be repaid fifty percent (50%) of any sums paid or rebated to Fox Valley pursuant to this Agreement.
  - (7) In the seventh (7th) year after the Commencement Date, the City shall be repaid forty percent (40%) of any sums paid or rebated to Fox Valley pursuant to this Agreement.
  - (8) In the eighth (8th) year after the Commencement Date, the City shall be repaid thirty percent (30%) of any sums paid or rebated to Fox Valley pursuant to this Agreement.
  - (9) In the ninth (9th) year after the Commencement Date, the City shall be repaid twenty percent (20%) of any sums paid or rebated to Fox Valley pursuant to this Agreement.
  - (10) In the tenth (10th) year after the Commencement Date, the City shall be repaid ten percent (10%) of any sums paid or rebated to Fox Valley pursuant to this Agreement.
- (C) Fox Valley shall make any repayment owed to the City under this Agreement within thirty (30) days of a written demand from the City. Any amounts not repaid within said thirty (30) day period shall accrue interest at the rate of two percent (2%) per month, with the minimum interest payment being for a one (1) month period.
- (D) The provisions of Section 4.04(B) and (C) above shall survive the termination of this Agreement.

4.05 Notices. All notices, certificates, approvals, consents or other communications desired or required to be given hereunder shall be given in writing at the addresses set forth

Service by personal or overnight delivery shall be deemed to occur at the time of the delivery, and service by certified mail, return receipt requested, shall be deemed to occur on the third (3rd) day after mailing.

4.06 Law Governing. This Agreement shall be construed and enforced in accordance with the laws of the State of Illinois. Venue for any legal action brought by either Party as a result of entering into the Agreement shall be in the Circuit Court of Kane County, Illinois.

4.07 Time. Time is of the essence under this Agreement and all time limits set forth herein are mandatory, and cannot be waived except by a lawfully authorized and executed written waiver by the Party excusing such timely performance.

4.08 Limitation of Debt. Any obligations of the City created by or arising out of this Agreement shall not be a general debt of the City on, or a charge against, the City's general credit or taxing powers, but shall be a limited obligation payable solely out of the Fox Valley Sales Taxes as set forth in Article III. Provided, however, if the City no longer receives State Sales Taxes from the Dealership due to a law change by the State of Illinois, then the City shall make payments to Fox Valley from any alternate sources of revenue provided to the City, by the State of Illinois, specifically as a replacement or substitute for State Sales Taxes presently received by the City (the "Alternate Source Revenues") and, in that event, the payment to Fox Valley shall be calculated as if the City were continuing to receive the State Sales Taxes at a rate equal to the sales tax rate applicable to the City's share of the State Sales Taxes immediately prior to the elimination of the City's State Sales Taxes, multiplied by Fox Valley's sales that would have been subject to State Sales Taxes. The amount to be tendered to Fox Valley from any Alternate Source Revenues shall be subject to a proportionate reduction in the event that the Alternate Source Revenues do not constitute, or are not intended to constitute, a one hundred percent (100%) replacement of the State Sales Taxes previously received by the City. The City's obligation to provide Fox Valley with Fox Valley Sales Taxes is restricted to State Sales Taxes generated by Fox Valley and actually received by the City, or Alternate Source Revenues actually received by the City.

4.09 No Waiver or Relinquishment of Right to Enforce Agreement. Failure of either Party to this Agreement to insist upon the strict and prompt performance of the terms covenants, agreements, and conditions herein contained, or any of them, upon the other Party imposed, shall not constitute or be construed as a waiver or relinquishment of the Party's right thereafter to enforce any such term, covenant, agreement or condition, but the same shall continue in full force and effect.

- 4.10 Article and Section Headings. All Article and Section headings or other headings in this Agreement are for the general aid of the reader and shall not limit the plain meaning or application of any of the provisions thereunder whether covered or relevant to such heading or not.
- 4.11 Amendments. There are no promises, agreements, conditions or understandings, either oral or written, express or implied, between them, other than those set forth in this Agreement. No subsequent alteration, amendment, change or addition to this Agreement shall be binding upon the Parties hereto unless authorized in accordance with law and reduced to writing and signed by them.
- 4.12 Counterparts. This Agreement may be executed in two (2) or more counterparts, each of which, taken together, shall constitute one and the same instrument.
- 4.13 Severability. If any provision of this Agreement is held invalid by a court of competent jurisdiction, such provision shall be deemed to be excised herefrom and the invalidity thereof shall not affect any of the other provisions contained herein.
- 4.14 Changed Conditions. In the event it is finally determined by any court of competent jurisdiction (after exhaustion of all regular appeals) that any of the covenants of this Agreement cannot legally be performed by the City or are not within the constitutional authority conferred upon the City as a home rule municipality, or the State of Illinois constitutional or statutory scheme shall become inconsistent with this Agreement, notwithstanding such judicial determination, or constitutional or statutory change, the City agrees to make every reasonable effort within its lawful authority to carry out the intention of the Parties as hereinabove agreed. The City shall, after such judicial determination, or constitutional or statutory change, make every reasonable effort to substitute a mechanism to accomplish the intent of this Agreement within its power as a home rule municipality. Notwithstanding anything to the contrary contained herein,

the City shall not be obligated to pay any sums to Fox Valley hereunder, in the event the City no longer receives State Sales Taxes, unless Alternate Source Revenues are provided to the City from the State of Illinois, and provided payment hereunder from Alternate Source Revenues is not illegal.

4.15 Indemnification. In the event that a claim is made against the City, its officers, officials, agents and employees, or any of them (or if the City, its officers, officials, agents and employees or any of them is made a party-defendant in any proceeding), arising out of or in connection with (1) this Agreement, or (2) the operation of Fox Valley at the Subject Property, Fox Valley shall defend and hold the City, its officers, officials, agents and employees harmless from all claims, liabilities, losses, taxes, judgments, costs, fines, fees, including expenses and reasonable attorneys' fees. In such event, the City and its officers, officials, agents and employees shall have the right to retain independent counsel, should it choose to defend any action resulting from the indemnification obligations under this Section. In such event, Fox Valley shall reimburse the City for all legal expenses incurred in connection with such defense. The City and its officers, officials, agents and employees shall cooperate in the defense of such proceedings and be available for any litigation-related appearances which may be required. Further, Fox Valley shall be entitled to settle any and all claims for money, in such amounts and upon such terms as to payment as it may deem appropriate, with the prior approval or consent of the City, its officers, officials, agents and employees, as the case may be, provided the City shall not be required to contribute to such settlement.

4.16 Limitation of Liability. No recourse under or upon any obligation, covenant or agreement of this Agreement, or for any claim based thereon or otherwise in respect thereof shall be had against any officer, agent or employee of the City, and all and any such rights or claims of Fox Valley against any officer, agent or employee of the City are hereby expressly waived and released as a condition of and as consideration for the execution

of this Agreement by the City.

4.17 Attorney Fees. Should it become necessary to bring legal action or proceedings to enforce this Agreement, or any portion thereof, or to declare the effect of the provisions of this Agreement, the prevailing party shall be entitled to recover or offset against sums due, its costs, including reasonable attorney's fees, in addition to whatever other relief the prevailing party may be entitled.

**DESCRIPTION:** Fox Valley Buick-GMC, Inc. currently operates a Buick-GMC dealership which adjoins the former McGrath dealership property. Fox Valley Buick-GMC, Inc. intends to use the former McGrath Honda site to expand its Buick-GMC dealership footprint to allow for a greater selection of used vehicles and to bring offsite operations onto the subject property and expand its service facilities in the existing Buick-GMC dealership.

Fox Valley Buick-GMC, mc. plans to improve the existing facility on the Property through interior and exterior improvements including electrical upgrades, painting, extensive interior cleaning, new epoxy flooring, a new car wash, new LED lighting, new carpeting, façade repairs and rebranding away from the prior Honda brand. The affordable home price is \$209,817, up significantly from \$158,663 in 2018 due to increases in household income. Recalculating the fees based on the new affordable home price results in the following fees:</p> <ul style="list-style-type: none"> <li>• Multi-Family Developments: \$52,454.19 (cost of a 25% downpayment for an affordable home priced at \$209,817)</li> <li>• Townhome Developments: \$36,717.93 (cost of a 17.5% downpayment)</li> <li>• Single-Family Developments: \$20,981.67 (cost of a 10% downpayment)</li> </ul> <p>The Housing Commission discussed the fee at their meeting on 1/11/24. Commissioners expressed a preference for updating the fees based on the new affordable home price. They also discussed the importance of requiring developments to provide affordable units as opposed to accepting fee in-lieu, particularly for large, multi-family projects.</p>

### COMMUNITY DEVELOPMENT DEPARTMENT

DATE: February 2, 2024

TO: Chairman Paul Lencioni and the Members of the Planning & Development Committee

FROM: Ellen Johnson, Planner

RE: **2024 Inclusionary Housing Fee**

---

Staff is seeking direction from the Committee on setting the Inclusionary Housing fee In-lieu for calendar year 2024.

Under Title 19 of the City Code, the Inclusionary Housing fee in-lieu may be set on an annual basis at the discretion of the City Council. Section 19.02.060 states:

*The amount of the per-unit fee in-lieu of Affordable Units shall be determined annually by the City Council. If no fee has been determined by the City Council for the current year, the fee most recently determined by the City Council shall apply.*

#### I. Background

The Inclusionary Housing Ordinance (IHO), Title 19 of the City Code, requires developers of new residential developments to build a proportionate share of affordable housing units on site, or to pay a fee in-lieu of providing affordable units.

Fee in-lieu payments made by developers are placed into the City's Housing Trust Fund. The Housing Trust Fund is to be used to create and preserve affordable housing opportunities in St. Charles. Currently, the City's Home Rehab & Accessibility Loan Program and First-Time Homebuyer Loan Program are funded by the Housing Trust Fund. In addition, a significant portion of the fund has been earmarked for the Kane County Affordable Housing Fund, through which developers of affordable housing can request funding for proposed projects. So far, this has enabled two purchase/rehab/resale projects and construction of a new affordable home. A Habitat for Humanity home has been approved for funding with construction expected this year.

#### II. Previous IHO Fees

When the IHO was first adopted in 2008, the IHO fee was set at \$140,000 per required affordable unit. After being reduced in 2010 to \$104,500, the IHO was suspended for three years beginning in 2013. The IHO was reinstated in 2016 with a reduced fee of \$72,820 per required affordable unit. This fee was calculated as the cost of providing a 25% downpayment for two affordable units, a calculation that has been used each year since, with some modification based on the affordable home price as designated by IHDA. In 2019, the fee was set at \$39,665.75, calculated as the cost of providing a 25% downpayment for a single affordable unit priced at \$158,663.

#### III. Current IHO Fee

In 2021, City Council for the first time instituted a three-tiered fee structure based on unit type, as opposed to a single fee for all unit types. This was done to take into account the relative ease of incorporating affordable units within multi-family developments and the greater likelihood of being able to take advantage of the density bonus allowed under the code for

developments that incorporate affordable units, as well as a lower per-unit construction cost for multi-family vs. single-family developments. The cost of constructing a townhome unit generally falls between multi-family and single-family.

The fee for multi-family developments was kept the same as the 2020 fee: \$39,665.75, calculated as the cost of a 25% downpayment for an affordable house priced at \$158,663. Townhomes: \$27,766.03, calculated as the cost of a 17.5% downpayment for an affordable house. Single-family developments: \$15,866.30, calculated as a 10% downpayment for an affordable house. The fee was kept the same for 2022 and 2023.

The calculation upon which the three fees are determined is based upon St. Charles' affordable home price as determined by IHDA in its 2018 Report on Statewide Local Government Affordability. It was discussed that the fee would be updated based on the new affordable home price identified by IHDA in its next report; IHDA releases the report every 5 years. IHDA released the 2023 Report in December 2023.

#### IV. 2024 IHO Fee

The three-tiered fee structure has been utilized for determining developer contributions for the past three years. Staff has not experienced issues with administration of the fee structure. The lower fee for single-family developments has resulted in lower contributions required for the Munhall Glen single-family subdivision currently under construction. The fee collected for the Springs of St. Charles apartment community was calculated based on the highest tier, resulting in a fee payment of over \$1.2 million.

IHDA's 2023 Report on Statewide Local Government Affordability released in December set an updated affordable home price for St. Charles: \$209,816.74, up from \$158,663 per the 2018 Report. The higher home price reflects increasing Area Median Income.

The table below shows the current fees and new fees based on the \$209,816.74 affordable home price. This is the fee required per required affordable unit (5-10% of total units in a development).

	Current (2021-2023)	Updated Fee for 2024
<b>Multi-family</b> <i>25% downpayment on affordable home</i>	\$39,665.75	\$52,454.19
<b>Townhome</b> <i>17.5% downpayment on affordable home</i>	\$27,766.03	\$36,717.93
<b>Single-Family</b> <i>10% downpayment on affordable home</i>	\$15,866.30	\$20,981.67

If it is determined that the current fee calculation should remain in place utilizing the updated affordable home price, the 2024 fees would be: **\$52,454.19 for multi-family, \$36,717.93 for townhomes and \$20,981.67 for single-family.**

Alternatively, the Committee could decide not to update the fee calculation and retain the current fees. Or, the Committee could recommend changes to the fee structure and/or fees, including a return to a single fee. The fee(s) could be based on a different formula or not based on a formula. The Ordinance does not provide direction as to how the fee should be determined.

The table on the next page shows the current IHO fees and the resulting developer contributions for various sized developments, followed by the updated fee for 2024. After that, possible fees are listed which are not based on a formula, from \$70,000 down to \$5,000 per required affordable unit.

	<b>1-unit development</b>	<b>50-unit development</b>	<b>100-unit development</b>	<b>250-unit development</b>	<b>500-unit development</b>

**V. Housing Commission Discussion**

Housing Commission discussed the IHO fee for 2024 at their meeting on 1/11/24. The consensus among members was that the existing fee structure and fee calculation should remain in place, with the fees updated according to the new affordable home price per IHDA's 2023 Report.

## Inclusionary Housing Fee History

The table below lists the past and current fee in-lieu amounts since the Inclusionary Housing Ordinance was adopted in 2008:

Year Fee Established	Fee Amount
2008	\$140,000 / required affordable unit
2010	\$104,500 / required affordable unit
2016	\$72,819.50 / required affordable unit
2017	\$72,819.50/ required affordable single-family, townhome, or duplex unit \$5,000 / required affordable multi-family unit
2018	\$36,409.75 / required affordable unit
2019	\$39,665.75 / required affordable unit
2020	\$39,665.75 / required affordable unit
2021	\$39,665.75 / required affordable multi-family units \$27,766.03 / required affordable townhome units \$15,866.30 / required affordable single-family units

The fee in-lieu that was set upon adoption of the IHO in 2008 was **\$140,000** per required affordable unit. The following calculation was used to determine the fee:

St. Charles' Median Home Sale Price (from Assessor's data) – 2/3 of the IHDA Affordable Price for a 4-person Household

In 2010, the fee in-lieu was lowered to **\$104,500** after IHDA released an updated affordability chart with a lower affordable price for a 4-person household. The same calculation as used in 2008 was used to determine the new fee.

In 2013, the IHO was suspended after a determination by staff that over 25% of the City's housing stock was affordable, per the provisions of the IHO at that time.

In March of 2016, the IHO was reinstated in an amended form. A new fee in-lieu was set due to concern expressed by City Council members that the fee of \$104,500 was too high. The Housing Commission recommended the fee in-lieu be calculated as the cost of providing a 25% downpayment for two affordable units priced at \$145,639, which is the affordable home price for St. Charles determined by IHDA in 2013. This resulted in a fee of **\$72,819.50**.

In February 2017, City Council established a different fee for multi-family housing developments due to concerns that the fee of \$72,819.50 was too high for multi-family projects. This resulted in a dual fee structure: **\$5,000 for multi-family developments and \$72,819.50 for single-family/duplex/townhome developments.**

In March of 2018, upon discussion with the Housing Commission at a joint meeting, City Council returned to a single fee for all types of residential units and set the fee at **\$36,409.75**, calculated as the cost of a 25% downpayment for one affordable unit priced at \$145,639.

In January 2019, based upon the Housing Commission's recommendation, City Council kept the previous methodology for establishing the fee, but recalculated it based on the new affordable home price for St. Charles determined by the Illinois Housing Development Authority in its 2018 Report on Statewide Local Government Affordability. The fee was increased to **\$39,665.75**, calculated as the cost of a 25% downpayment for one affordable unit priced at \$158,663.

In February 2020, City Council kept the previous year's fee of **\$39,665.75**, as recommended by the Housing Commission. IHDA is expected to release its next Report on Statewide Local Government Affordability in 2023. Unless the Council sees a need to change the fee and/or method for calculating the fee, the existing fee could remain in place until the updated affordable home price is determined by IHDA in 2023.

In October 2020, City Council set the fee for 2021. A new three-tiered fee structure was established to take into account the relative ease of incorporating affordable units within multi-family developments and the greater likelihood of being able to take advantage of the density bonus allowed under the code for developments that incorporate affordable units, as well as a lower per-unit construction cost for multi-family vs. single-family developments. The fee for multi-family developments was kept the same as the 2020 fee: **\$39,665.75**, calculated as the cost of a 25% downpayment for an affordable house priced at \$158,663. Townhomes: **\$27,766.03**, calculated as the cost of a 17.5% downpayment for an affordable house. Single-family developments: **\$15,866.30**, calculated as a 10% downpayment for an affordable house. The same fee remained in place for 2022 and 2023.
