The Commissioners discussed possible locations and dates, and decided to reserve Pottawatomie Park on either Friday, April 29 or Saturday, April 30, 2022. This information will be communicated to the Park District.

Comm. Goudreau suggested coordinating with the Park District to have their annual native plant sale at the Arbor Day event.

The NRC has received positive comments on the articles that have been published. Comm. Myers circulated a sign-up sheet for 2022 and encouraged all members of the NRC to participate in writing articles.

8. Additional Items

A. Commissioners

Comm. Brens reported she received a request from the St. Charles Rotary Club to have member(s) of the NRC speak at one of their meetings.

Comm. Churchill reported the city received a request from a student at St. Charles North High School regarding littering and the city's response to this issue. City staff invited the student to attend the NRC meeting, but she was not available. The Commissioners noted Fox River clean-up events, articles in The Den and the goal of reducing single-use bags are some of the ways the NRC is working to mitigate litter. City staff will provide this information to the student and invite her to the December NRC meeting.

Comm. Miller Hill complimented the native plant signs installed as part of the city's 7th Avenue Creek project, and suggested selling signs to residents with native plants in their gardens as a way to promote the benefits of native plants. Mr. Reineking explained the city's consultant on the 7th Avenue Creek project installed the signage, and the city has also installed similar signs around city-owned naturalized areas. Mr. Reineking stated the city could likely work with one of its vendors on artwork if the NRC wanted to pursue the signs.

B. City Staff

None.

9. Adjournment

Motion to adjourn the meeting. Motion by Comm. Brens, second by Comm. Miller Hill to adjourn the meeting. Voice vote: unanimous; nays – none. Motion carried at 7:40 p.m.

FROM 05/13/21 MINUTES

C. Arbor Day Recap

Chair. Nagy reported organizing the Arbor Day celebration was challenging this year due to COVID restrictions and coordinating with multiple members of the school district. Mr. Reineking reported the superintendent was supportive of the event, and welcomed future tree plantings. Comm. Myers suggested planting a tree at one of the St. Charles schools and having a separate community event as the former Tree Commission and NRC have done in the past. The commissioners discussed possible changes and enhancements to next year's Arbor Day celebration.

Comm. Nagy summarized the discussions:

- Possibly combining Earth Day and Arbor Day celebrations on a Saturday instead of a Friday
- Moving the event from Lincoln Park to Mt. St. Mary Park
- Continuing the Earth Day clean-up with students and include the community and recognizing the clean-up participants at the Arbor Day event
- Inviting the library and local businesses to participate
- Planting a tree at one of the St. Charles schools
