## Police Department

# Memo

Date: 3/17/2016  
To: The Honorable Ray Rogina, Mayor-Liquor Commissioner  
From: James Keegan, Chief of Police  
Re: Background Investigation: Le Visage Spa-LLC/475 Dunham Road, Suite 2A

---

The purpose of this memorandum is to document and forward to your attention the results of the background investigation conducted by members of the St. Charles Police Department concerning the above mentioned establishment.

As is customary procedure, a detective was assigned to this investigation and reviewed not only the site location via an inspection, but also the corresponding application and applicant.

We found nothing of a derogatory nature that would preclude either the site location or the applicant from moving forward with a massage license, subject to Council/Commission approval.

Thank you in advance for your consideration in this matter.

### Executive Summary:

Our private activity bond allocation cap this year is \$3,338,700 for assistance in financing local industrial customers. This amount is based on an allocation of \$100 per capita from the State of Illinois. We have the right to reserve, transfer, or remand volume cap back to the State of Illinois. In the past, we have occasionally been able to sell our volume cap to other municipalities.

The City has no current plans to utilize our volume cap during 2016, but Staff is recommending that we reserve our volume cap in the event a situation would arise during the remainder of 2016. In order to do so, we will need to pass the attached ordinance reserving our volume cap.
