Memo

Date: April 1, 2024
To: Lora Vitek, Mayor-Liquor Commissioner
From: James Keegan, Chief of Police *J. Keegan*
Re: Chums Shrimp Shack

The purpose of this memorandum is to document and forward to your attention the results of the background investigation conducted by members of the St. Charles Police Department concerning the above-mentioned establishment.

As is customary procedure, a detective was assigned this investigation and reviewed the site location/floor plans, the business plan and the corresponding application material. The site location (2115 W. Main Street/former Beef Shack) has been operating as Chums Shrimp Shack since late 2021. The business was recently sold and the new operator is seeking a B-1 license.

While this location has a smaller footprint and not a large amount of seating, a liquor license was held by the former owners. Although the current owner (Luis Rodriguez-Tapia) owns and operates 3-other restaurants in our area; all taco bars (Algonquin, Crystal Lake and Woodstock), three underage sales have taken place in the last 2-years (one in Algonquin and two in Crystal Lake). In each case, a bartender sold alcohol to a minor while police were conducting compliance checks. It is important to note that the owner was not present or directly involved in either of these sales but nonetheless, it is his responsibility as an owner/operator to be in operational control of his establishments at all times and this gives me reason to be concerned. While I don't suspect significant liquor sales or minors attempting to consume alcohol at this location as alcohol is ancillary to food sales, I do want to put strict procedures in place ahead of any potential liquor license being issued. That being said, I am recommending The Liquor Commissioner, with approval of the Council, impose the following conditions:

- The purchase of an ID machine to validate and scan all identification cards presented to staff. These machines populate the persons birthdate and scan the barcode for authentication.
- Mandating a manager being present while liquor is being sold.

These provisions would have to be agreed to by the applicant as a condition of a license being granted as the below cited ordinance allows for the city to impose additional restrictions on issuances of license as follows:

5.08.085 - Issuance of licenses and restrictions—Liquor Control Commissioner/City Council

The Local Liquor Control Commissioner may, with the advice and consent of the City Council, and as designated in any license, impose such other and further conditions, as the Local Liquor Control Commissioner and City Council deem necessary. The Local Liquor Control Commissioner may, with the advice and consent of the City Council, permit entertainment as specifically authorized with the issuance of any license.

It should be noted that all 3 other locations the applicant owns/operates are in good standing with each municipality and the State of Illinois.

See the adjoining application material for further information. The police department recommends license approval with the aforementioned stipulations.

Thank you in advance for your consideration in this matter.

A check in CLEAR for Luis yielded negative results.

SITE VISIT:

On 03/26/24, I responded to Chums Shrimp Shack (2115 W. Main St.) and met with Luis. The physical layout of the business appeared to be consistent with the hand-drawn floor plan included in the application. Luis confirmed that he does not have a blueprint of the floor plan.

In summary, I asked Luis why he did not disclose of the 2022 liquor violation of his Crystal Lake restaurant. Luis explained that he thought I was only asking about the more recent violations. Luis explained that he is paying the Crystal Lake Police to conduct compliance checks with a minor at his Crystal Lake restaurant – once every two months.

This concluded this background investigation.

Case #

2016-00012407

NARRATIVE

On 09/24/2016 at approximately 1731 hours officers were dispatched to 157 Sioux Ave. for a Disturbance. The caller advised three male Hispanic subjects were outside breaking glass and throwing it on the street.

The male subject caller, wanted to remain anonymous, and had called moments before for a Noise Complaint for landscaping noise at the same address of 157 Sioux Ave. The caller did not leave a name, but a phone number that he used to call 911 was (224) 806-7613. The anonymous caller advised Quadcom dispatch he will be calling every few minutes until an officer responds for the Noise Complaint. Per the Local Ordinance Landscaping Equipment can be used during the day, but not between the hours of 2000 to 0700 (8.16.040(I) Specific Noise Restrictions).

Officers arrived on scene for the Disturbance, but there were no male subjects outside of the address or any glass on the roadway. I then spoke with the neighbor at 159 Sioux Ave., who related the following in summary: The neighbor said she had been outside most of the day and had not heard or seen anyone break glass and throw it on the roadway. The neighbor did advise the neighbor at 157 Sioux Ave. was cutting grass, but there was no issue.

Officers then spoke with the resident of 157 Sioux Ave., Luis G. Rodriguez, who related the following in summary: Luis said he had cut the grass, but there was no issue. Luis then advised he had been having an issue with a resident of 151 Sioux Ave. in the past.

Officers then went to 151 Sioux Ave. and spoke with a female subject, who related the following in summary: She said her husband was the one that had called for a Noise Complaint moments earlier, regarding landscaping noise. Officers know the husband of the female subject, due to prior contacts with him. The husband's name is Gunnar Lakey Jr. The wife of Gunnar was advised to let him know he needed stop calling 911 and making false police reports. Gunnar was not at the residence when officers arrived and the wife advised he had just left.

Nothing further at this time. This report was completed and reviewed by Officer Cervantes #141 on 09/24/2016.

NARRATIVE

ORIGINAL

On August 19, 2019 at 1303 hours Officer Burzynski and I (Officer Randall), were dispatched to 1441 Glacier Parkway for a report of a Burglary to Motor Vehicle.

Upon arrival at the scene we were met by Louis G. Rodriguez-Tapia and Sonia Alvarez. Approximately around 1230 hours this afternoon, Sonia got into her car to go to the store. She noticed her purse was open on the seat, the middle console and glovebox were open. Sonia stated she left her brown wallet (With red trim) in her purse which was left in the white Jeep Liberty (License Plate: R349209). When she looked for the wallet she wasn't able to locate it. When asked what was in the wallet, she stated her driver's license, Chase debit card, Chase credit card, Sam's credit card and approximately five dollars. When asked if any fraudulent charges had been seen on the cards, Sonia stated "No." When asked if the car was locked, Louis explained that the back passenger door doesn't always lock, but she did lock the car. When asked when was the last time he observed the vehicle secured, Louis stated around 2230 hours the night before. Officer Burzynski reviewed the vehicle for possible processing. Considering the door handles were a black hard plastic and the vehicle was already touched by the owner, the vehicle was not processed. I took pictures of the exterior and interior of the vehicle.

Officer Burzynski and I then conducted a canvas of the surrounding area, we produced the following results:

1451 Glacier Parkway - Residents did not observe anything suspicious but do have a video camera on their door bell. They are checking the footage, if anything is found they will be contacting me.

1461 Glacier Parkway - Residents did not observe anything suspicious and no video footage.

I sent SEECOM a fax to have Sonia's Driver's License entered into LEADS as stolen (LEADS # A19B6949).

Due to no investigatory leads, I am closing this report with an administrative closing.

REPORT NUMBER: AL-19-009094

SUPPLEMENT

On 08/19/19 at approximately 1700 hours I was dispatched to 1331 Glacier Parkway for Found Property.

Upon arrival I met with homeowner John Bohlmann (05/16/52). John advised that he found numerous credit cards, a driver's license, an ID card and other miscellaneous cards strewn about in his front yard. John advised that he observed the credit cards and license to still be current and nothing had expired. John stated, "I saw it was from Carpentersville and I figured I should get the police involved. I didn't want to try and return it and get shot." John advised that he gathered the cards and waited for APD to arrive on scene. John then stated, "I don't know why anyone would have discarded these. I could have picked them up and sued them." I collected the items and cleared the residence.

I ran the driver's license file number through LEADS and discovered that it had been reported stolen. It was determined that the items that were found matched those that were reported stolen earlier on this date at 1441 Glacier Parkway. I made contact with Sonia who advised she was at work and would not be home until after 1900 hours.

I transported the cards back to APD and processed the driver's license, ID card and two credit cards for prints. I requested that the remainder of the cards be sent to the crime lab. See PCR.

I contacted Sonia and her husband Luis to advise them they needed to come in to have their prints taken for elimination. Both advised they would be in on 08/20/19 after 0800 hours.

I contacted John to advise him he needed to come in to have elimination prints taken. John stated, "Nope, you come to me." I advised John that that is not how we take prints to which he replied, "Nope." I asked John why he was not cooperating. John stated, "I did cooperate. I turned them in. If I did anything, I would have thrown those things down the sewer." I advised John that we need his prints too as he handled the cards. John stated, "Well so did you and so did my wife." I advised John that he was correct and that the crime lab would be receiving my prints as well. From the background, I heard a woman's voice say, "I will be at the police department at 1130 for my prints." John then stated, "Shut up". John continued, "You have my prints on file, look them up." When I told John that was not acceptable he stated, "Well then have the crime lab do it." I advised John the police would be in touch.

I submitted a LEADS Form to SEECOM requesting that Sonia's driver's license no longer be classified as stolen.

No Further Action at this Time- Investigation Pending Lab Reports- 20

SUPPLEMENT

On 08-20-19 at 1200 HR I responded to APD reference follow up information.

I spoke with Rohlmann who stated she was at APD to provide elimination prints.

I obtained fingerprints from Rohlmann and placed them into evidence.

SUPPLEMENT

I obtained the lab report from the Illinois State Police- Division of Forensic Sciences.

The lab results, obtained by Forensic Scientist Mary Beth Thomas, states "No suitable latent prints".

A copy of the lab report was submitted to APD Records.

Due to the lack of usable evidence, this case is being placed into INACTIVE status pending further information that would lead to a positive identification of the offender.

Hello!

I checked our internal records and I only show your subject was the victim of a Burglary to MV . . . I attached the report.

Nothing with the restaurant or his address besides that.

NARRATIVE

ORIGINAL

On 12-14-22, I, Officer Zahara conducted a covert investigation at 2160 Lake Cook Rd (Antigua Mexican Brunch & Grill). The purpose of the investigation was to ascertain compliance with local ordinances pertaining to the sale of alcohol to minors.

Prior to the beginning of the actual investigative operation, Officer Wogsland, searched the participating minors. The minors (Agents A and B) were permitted to carry only their valid Illinois driver's license (under 21 vertical license) and the Village of Algonquin official advance funds provided for the investigation. The minors were instructed to provide their actual age and/or driver's license to business employees if they were asked to do so. The minors were then photographed by Officer Wogsland and subjected to a breath alcohol analysis that he conducted utilizing an "Intoximeter EC/IR II" in the processing room of APD. The participating minors tested at .000. (The printout of said test is attached to case file #22-015970.)

Detective Sergeant Salazar and Lake In The Hills Detective Sergeant Decker advised that they entered the aforementioned business and established covert surveillance at the bar prior to the minors (Agent's A and B) entering the business. Detective Sergeant Salazar advised that he observed the minors enter the business and sit at the bar. Detective Sergeant Salazar advised that the bartender, later identified as Eder Irak Basurto Chavez (3-5-87), approached the minor's and asked what they would like to drink. Detective Sergeant Salazar advised that the minor's requested two bottles of Modelo brand beer. Detective Sergeant Salazar advised that Basurto Chavez requested to see the minor's identification. Detective Sergeant Salazar advised that he observed Basurto Chavez grab each of the minor's vertical Illinois driver's licenses, look at them, and then hand them back to the minors. Detective Sergeant Salazar then advised that Basurto Chavez grabbed two 12 oz bottles of Modelo brand beer from the cooler, open them up, and then place them in front of the minors. Detective Sergeant Salazar advised that the minors then requested to pay for the beers. Detective Sergeant Salazar advised that Basurto Chavez gave the minors their requested check for the beers that listed the price of \$10.80 for the two Modelo beers. Detective Sergeant Salazar advised that the minors gave Basurto Chavez \$20.00 US currency and then received change back. It should be noted that the minors paid \$10.80 for the beers and left \$1.20 for the tip to Basurto Chavez. It should be noted that the transaction took place at 1714 hrs. Detective Sergeant Salazar advised that he was able to ascertain that the bottles in front of the minors were indeed alcoholic beverages. Detective Sergeant Salazar then advised that the minors left the open bottles of Modelo brand beer on the bar and exited the business. Detective Sergeant Salazar and Lake In The Hills Detective Sergeant Decker remained inside of the bar until I entered.

I then made contact with Basurto Chavez and identified myself. I advised Basurto Chavez of the two Unlawful Sale of Alcohol to a Minor violations that just occurred. Basurto Chavez stated that he did ask for the subject's identification. I advised Basurto Chavez that the subject's both had vertical Illinois driver's licenses and that one of the minors was seventeen and the other minor was eighteen. I asked Basurto Chavez for his identification, which he provided. I provided Basurto Chavez's information to SEECOM Dispatch, which revealed that he was valid out of Illinois. I then completed and issued Basurto Chavez a Village of Algonquin Municipal Code Violation Citation (#AL-22-015981-1) for two counts of Unlawful Sale of Alcoholic Liquor to a Minor (AL 33.25A). Basurto Chavez stated that he was BASSET certified but could not provide his license. I conducted a BASSET card lookup on the Illinois Liquor Commission website which revealed that Basurto Chavez did not have BASSET certification. I advised Basurto Chavez that he could not tend bar until he completes his BASSET certification. I provided Basurto Chavez with options on how to complete his BASSET certification. Basurto Chavez stated that he understood. It should be noted that I did not observe the proof of age sign, the pregnancy warning sign, Village of Algonquin Warning to Persons Under 21 Years of Age Placard, and the State of Illinois Liquor License displayed in plain view within the business. I did observe the framed Village of Algonquin Liquor License near the register, hidden behind bottles of alcohol. I provided Basurto Chavez with the current proof of age sign and the pregnancy warning sign and advised him to display the signs. I was advised by Antigua personnel that the owner had the State of Illinois liquor license in his office and would display it when he returns to the business. I then left the business.

Upon returning to APD, the minors were photographed again and subjected to another breath alcohol analysis which Officer Wogsland conducted utilizing an "Intoximeter EC/IR II" in the processing room of APD. The participating minors tested at .000 (The printout of said test is attached to case file #22-015970).

No further action.

NARRATIVE

ORIGINAL

On 12-14-22, I, Officer Zahara conducted a covert investigation at 2160 Lake Cook Rd (Antigua Mexican Brunch & Grill). The purpose of the investigation was to ascertain compliance with local ordinances pertaining to the sale of alcohol to minors.

Prior to the beginning of the actual investigative operation, Officer Wogsland, searched the participating minors. The minors (Agents A and B) were permitted to carry only their valid Illinois driver's license (under 21 vertical license) and the Village of Algonquin official advance funds provided for the investigation. The minors were instructed to provide their actual age and/or driver's license to business employees if they were asked to do so. The minors were then photographed by Officer Wogsland and subjected to a breath alcohol analysis that he conducted utilizing an "Intoximeter EC/IR II" in the processing room of APD. The participating minors tested at .000. (The printout of said test is attached to case file #22-015970.)

Detective Sergeant Salazar and Lake In The Hills Detective Sergeant Decker advised that they entered the aforementioned business and established covert surveillance at the bar prior to the minors (Agent's A and B) entering the business. Detective Sergeant Salazar advised that he observed the minors enter the business and sit at the bar. Detective Sergeant Salazar advised that the bartender, later identified as Eder Irak Basurto Chavez (3-5-87), approached the minor's and asked what they would like to drink. Detective Sergeant Salazar advised that the minor's requested two bottles of Modelo brand beer. Detective Sergeant Salazar advised that Basurto Chavez requested to see the minor's identification. Detective Sergeant Salazar advised that he observed Basurto Chavez grab each of the minor's vertical Illinois driver's licenses, look at them, and then hand them back to the minors. Detective Sergeant Salazar then advised that Basurto Chavez grabbed two 12 oz bottles of Modelo brand beer from the cooler, open them up, and then place them in front of the minors. Detective Sergeant Salazar advised that the minors then requested to pay for the beers. Detective Sergeant Salazar advised that Basurto Chavez gave the minors their requested check for the beers that listed the price of \$10.80 for the two Modelo beers. Detective Sergeant Salazar advised that the minors gave Basurto Chavez \$20.00 US currency and then received change back. Hi Michelle,

The employee that received the citation was a "Eder Basurto" (Male / Hispanic / Unknown DOB).

Can you check your RMS to see if you can find the liquor violation report by searching for Eder?

Thanks,
Rob

REPORT NUMBER: CL-23-019325

NARRATIVE

ORIGINAL

SUMMARY: On 9/21/23 at 1925 hrs, Jean Claude Vinasco Rodriguez was issued Adjudication Citation #CL00-4163 for city ordinance CL329-19 Sales of Alcohol subsequent to an alcohol compliance check at Antigua Mexican Grill, 1500 Carlemont Dr, Crystal Lake.

NARRATIVE: On 9/21/23, The Crystal Lake Police Department conducted a round of liquor compliance checks at predetermined local businesses that carried valid City of Crystal Lake liquor licenses (See CL-23-018852). In doing so, confidential informants that were under the age of 21 yrs old, were instructed to enter predetermined business' and request to be served and alcoholic beverage. The informants were further instructed to show their current and valid Illinois drivers license or state identification card if asked by the employee. The official advanced funds for this operation were supplied by the Police Department for any money that may have been immediately requested for a sale.

On 9/21/23 at 19245 hrs, CS #23-06 entered the front doors of Antigua Mexican Grill, 1500 Carlemont Dr, Crystal Lake during regular business hours, and sat at the bar. Crystal Lake Commander Miller, working in a capacity of another patron of the business observed CS#23-06 from a distance. CS#23-06 requested a Miller Light from the bartender, later identified as Jean Claude Vinasco Rodriguez. Jean Claude poured a Miller light beer from the tap, and provided the beverage to CS#23-06 . CS #23-06 was never asked for any identification. After the service, CS #23-06 stepped out of the business as Commander Miller made contact with Jean Claude Vinasco Rodriguez and restaurant management.

I, Detective Maloney, walked into the business, identified myself, and learned from Commander Miller who the server/violator was, and then began completing Crystal Lake Citation #CL00-4163 for CL329-19 Sales of Alcohol. I asked Jean Claude if he could tell me what happened. He advised he was busy and did not check the ID of the minor while he served him. I educated Jean Claude about checking ID's for those he serves. I issued Jean Claude the above citation with a hearing date of October 25, 2023 at 0830 hrs.

I then met with owner of the business, Luis Rodriguez, and explained the compliance check and adjudication process. He had no further questions.

See BWC for further details during the issuance of the citation.

SUMMARY: Luis Rodriguez was served legal documents from Attorney Cowlin.

NARRATIVE: On 03/16/2022 I (Ofc. Harvat, CL204) assisted Attorney John Cowlin and attempted to serve Luis Rodriguez Tapia, owner of Antigua Mexican Grill (1500 Carelemont Dr), with an order regarding a recent incident in which the business sold liquor to a minor. I responded to Antigua and met with a manager. The manager reported Luis is on vacation and will not return until a later date in March 2022. I thanked her for her time and advised I will be in contact.

On 03/28/2022 I contacted the business and asked if Luis was at the business. The employee informed me he was not and provided me with his phone number (224-345-1649).

I contacted Luis and asked if I could meet with him. He said he was busy today but could meet me at the business at 1400hrs tomorrow (03/29/2022).

I responded to the business on 03/29/22 and met with Luis. Luis provided me with his identification and confirmed he is the owner. Luis was provided with the order regarding the incident. Luis signed the document and had no further questions.

The signed document was later returned to Attorney Cowlin.

CRYSTAL LAKE POLICE DEPARTMENT

100 W Woodstock St Crystal Lake IL 60014

REPORT NUMBER: CL-22-002427

NARRATIVE

ORIGINAL

SUMMARY: On 02-22-2022 Concepcion Hernandez Villanueva was issued an adjudication citation for Unlawful Sale of Alcohol to a Minor subsequent to an alcohol compliance check at Antigua Mexican Restaurant, 1500 Carlemont Drive. Concepcion was advised of the adjudication process as well as the mandatory hearing date of 03-11-2022 at 0830 hours at the City of Crystal Lake. This case should be considered cleared by adjudication citation issued. Body worn camera was utilized during this investigation.

NARRATIVE: On 02-22-2022 I, CL652, participated in the first round of alcohol compliance checks at local businesses (CL-22-002418). I instructed the confidential informant (CS 21-04) to enter the business and attempt to purchase a Miller Lite beer. The CS was instructed to show their valid Illinois identification card if asked by the employee. The official advanced funds for this operation and subsequent transaction were supplied by the police department.

The CS and I entered Antigua Mexican Restaurant, 1500 Carlemont Drive, at which time we walked to the bar area of the restaurant. After sitting down we were greeted by employee Concepcion Hernandez Villanueva. Upon speaking with Concepcion the CS asked to purchase a Miller Lite beer. Concepcion asked the CS for their identification, at which time the CS provided their valid identification card. Concepcion reviewed the card and returned to the CS with an opened, 12 oz. Miller Lite beer. Through my previous training and experience I observed the bottle to be an alcoholic beverage. The CS provided a \$5 USC bill, at which time Concepcion returned with change and a receipt. The CS provided me with the change and receipt at which time I advised the CS to exit the restaurant and wait in the vehicle.

After the CS exited the store Detective Duncan entered Antigua in a marked Crystal Lake Police Vest. I informed Concepcion that we were conducting alcohol compliance checks, in which she had served an alcoholic beverage to a minor under the age of 21. Concepcion stated that she did not speak English, in which I advised that I was bilingual and would provide all information in Spanish. It should be noted that our conversation was spoken entirely in Spanish. I advised Concepcion that she had sold to a minor, in which I confirmed that she checked the identification before still providing the CS with a drink. Concepcion advised that she understood. I informed Concepcion that I would be issuing an adjudication citation for Unlawful Sale of Alcohol to a Minor. I then informed Concepcion of the adjudication process as well as the mandatory hearing date of 03-11-2022 at 0830 hours. Concepcion stated she understood and did not have any further questions at this time. I further informed Concepcion of the importance to always thoroughly check identification prior to the sale of alcoholic beverages to patrons. Concepcion stated she understood.

A copy of the receipt was later placed into evidence.

This case should be considered cleared by adjudication citation issued.

Body worn camera was utilized during this investigation.

Re: 2024/25 Late-Night Permits

Pursuant to city code, I have reviewed the attached late-night permit request for FY24-25.

Each permit request was vetted by the respective city department to ensure compliance with fees, payments, permits, etc. As a means to identify our city code as it pertains to late night permitting, I've included the attached ordinance language as a frame of reference. Please see below:

City Ordinance/5.08.095 Late Night Permit

- C. Annually, the liquor license renewal process shall commence on the first city business day in February. Current license holders shall submit a renewal application and include any requested changes. For those license holders applying for a new or renewing a late-night permit, they are required to specify whether they are applying for the 1:00 a.m. or the 2:00 a.m. permit. In addition, any new or renewal applications shall include a current business concept outlining the operations intended during the late-night permit term of one year, in conjunction with the liquor license to be issued on May 1 of the same year. Failure to provide a timely renewal application or late-night permit application may result in a delay in issuing said license and permit by May 1 of that year.
- D. Upon receipt of a new or renewal application, the Liquor Commissioner shall cause a review of the previous year license application to determine whether there have been any changes noted with regard to ownership, management or business concept. This application shall be forwarded to:
 - 1. Chief of Police
 - 2. Fire Department

3. Finance Department
 4. Community Development Department
- E. The city departments indicated in Section D will review any infractions of any city code, reflecting negatively on the license holder that should be taken into account by the Liquor Control Commission and City Council. That information shall be returned to the Liquor Commissioner for review. In addition, the Chief of Police shall cause a review of the police related activity which will support a recommendation from the Chief of Police on whether the late-night permit shall be issued and whether a 1:00 a.m. or 2:00 a.m. closing is recommended based on the permit application. The Chief of Police shall forward the recommendation to the Liquor Commissioner.
- F. Any application and recommendation for a new or renewal of a late-night permit, shall be reviewed by the Liquor Control Commission. Based on this review the Local Liquor Commissioner shall make a recommendation on issuance to City Council. An applicant for a late-night permit shall have the opportunity to be present and provide input on said application, prior to the Liquor Control Commission making a recommendation. Late night permits and renewals of late-night permits shall be issued by the Liquor Commissioner with the advice and consent of the City Council.
- G. Any new liquor license application where a new late-night permit is also applied for shall follow the same review process as outlined in paragraphs B, C, D, E and F of this Chapter.
- H. Notice of Violation Process-Late Night Permit. If during a liquor license year, May 1 through April 30, where a liquor license holder has been issued a late-night permit and a notice of violation is issued by the Liquor Control Commissioner, the Liquor Control Commission shall hold a hearing on the matter. The liquor license with the late-night permit shall be given notice of the purpose, date, time and location of the hearing in a similar manner to a liquor license violation. The matter will be heard before the Liquor Control Commission in the same manner as any license violation. The Liquor Control Commission shall provide advice and consent to the Local Liquor Control Commissioner, who shall make a final decision on the matter.
- I. Cause to Reduce Hours, Revoke Late Night Permit or Not Issue Late Night Permit. In the event that a liquor license holder, has applied for or been issued a late-night permit, and has demonstrated circumstances giving reason to review whether that late-night permit shall be issued, reduced in hours or revoked, the Liquor Control Commission shall receive input from these city departments:
1. Finance Department as it relates to unpaid fees, utilities or city taxes;

2. Fire Department as it relates to repetitive fire code violations affecting health and safety;
 3. Community Development Department, Building and Code Enforcement Division as it relates to building code violations;
 4. Police Department as it relates to repetitive calls for service that are indicative of underage patrons, over service of patrons, or liquor license violations affecting the safety of the general public where the licensee is not taking proactive measures to abate the problems;
 5. Other departments with applicable information.
- J. The license holder shall have the opportunity to respond to information in a public hearing prior to any action being taken, by the Liquor Control Commission before sending any recommendation to City Council.
- K. The Liquor Control Commission may recommend the issuance or denial of a requested late-night permit for 1:00 a.m. or 2:00 a.m., or reduction in hours based on cause to the City Council for final decision.

I recommend in favor of the aforementioned requests as identified in the attached spreadsheet. A total of 27-businesses are seeking late-night permits; 13/1 a.m. permits and 14/2 a.m. permits.

As always, I stand ready to answer any questions or concerns you might have in reference to my recommendation. Thank you in advance for your cooperation and consideration in this matter.
