4. Old Business

A. Update on the Urban Forestry Management Plan

Jeremy Craft & AJ Reineking have been reviewing the Urban Forestry Management Plan, (hereinafter referred to as the “UFMP”). Both Mr. Craft and Mr. Reineking are making slight modifications to operational procedures to ensure that the recommendations can be achieved with the current available staff and budget. After the edits are made, the document will be emailed to Comm. Blaine and Comm. Brens for their review.

B. Reorganization of the Tree Commission into a Natural Resources Commission

The Tree Commission reorganization discussion will be deferred to the May or July meeting, after the Arbor Day event. In the meantime, Chair. Grathoff is researching information on various Natural Resources Commissions.

Comm. Otto mentioned the Sustain Dupage Symposium. Approximately 19 commissions participated in the symposium, which was held on March 12. Batavia participated and they spoke of their Public Works Environmental Commission. This commission fulfills the role of environmental and educator advisor to the city government and the community at large. Their focus consists of trees and other environmental concerns and their budget is included in the City of Batavia’s financial plan.

5. New Business

A. News and Concerns from Public Works:

i. Spring Planting Update:

The spring planting program is underway. St. Aubin Nursery & Landscaping, the City's tree contractor, has planted over 100 trees so far with approximately sixty trees left to plant. St. Aubin is still waiting for these 60 trees to be delivered to the nursery therefore there will be a one to two-week hiatus in the planting program. They plant approximately 30 trees per day, thus the spring planting season will be completed within two days.

The City's tree planting budget contains sufficient funds to purchase approximately 150-175 trees for each planting season next fiscal year.

The Public Services staff is currently trimming the trees in the Brownstone subdivision. Most of these trees are ash trees that are being treated by the Brownstone Homeowners Association. Jeremy Craft, the City's arborist, mentioned the City will be monitoring the health of these trees for the next few years.

ii. Woods of Fox Glen Tree Damage

Comm. Duerr requested an update regarding the tree damage that occurred at the Woods of Fox Glen Subdivision. Per Mr. Reineking, Council discussed the tree damage at an Executive Session immediately after the last Government Services Committee meeting. They recommended the City staff speak to the individual responsible for the damage and work out a solution with the resident.

Comm. Duerr mentioned he drove by the area. Historically, there was a house on White Thorn Lane with a piece of the property owned by the Illinois Audubon Society. The house has been sold but they left a conservation easement and a donation to the Village of Wayne. There is a little woodland park with memorial prairie plantings in the area that is very close to the property in question.

Comm. Brens asked what the City had done to address the safety issues in this specific area. AJ Reineking mentioned signage was posted to keep people out of the area. The soil was still very wet from all the recent rain storms but the City staff would be removing the damaged trees as soon as the area was accessible.

6. Committee Reports

A. Education Committee:

Comm. Myers has come across some new published information on trees. She will forward the information once it has been published.

B. Publicity Committee: None

C. Langum Park Clean Up:

Comm. Otto mentioned she had nothing planned at this time for Langum Park. She mentioned she heard from an Eagle Scout who is interested in receiving his badge but this project needs more than just one volunteer. Most of the non-natives are gone and a decision needs to be made as to next steps on this project.

AJ Reineking, Jeremy Craft and Tony Bellafiore watched a webinar on utilizing goats to clear out brush areas, etc. They found the webinar very interesting and have discovered local herds in Iowa and Wisconsin.

D. Arbor Day:

The Commissioners will be speaking at Davis and Lincoln School in honor of Arbor Day. Comm. Wilfong scheduled several speaking engagements at both schools the weeks of April 18 and April 25.

The Committee reviewed the 2016 Arbor Day Checklist:

**Arbor Day is scheduled for 4:00 p.m., Friday, April 29, 2016.

A. Commissioners:

Comm. Hauser: None

Comm. Duerr complimented Jeremy Craft and his tree trimming crew. He has been very impressed with the pruning crew; the cuts are very clean.

Comm. Brens the Museum is sponsoring a “Foodie Fest” on July 30, 2016. Tickets for members are \$40; \$50 for non-members. The event will be held on the upper deck of the parking garage behind the Museum. Contact Comm. Brens if you, or someone you know, is interested in purchasing tickets. There will be three (3) \$1,000 raffle tickets given away. Raffle tickets are \$10 each.

Comm. Brens also asked if it would be harmful to utilize the City’s mulch since it may be contaminated by diseases. Mr. Craft explained the arborist crews make every effort not to contaminate the mulch pile with diseased trees. For example, the black knot fungus has been found to transfer to other species. The mulch from these infected trees has been kept separate from the City’s mulch pile and the tools utilized are sterilized after being exposed.

Comm. Otto happy to be here at the meeting.

Comm. Wilfong thanked all the commissioners who volunteered to speak at the schools the week of Arbor Day. She also mentioned that Comm. Myers inspired Mrs. Quaintance to plant a vegetable garden at Davis School. Ball Seed has donated 5,000 seeds to Mrs. Quaintance’s vegetable garden and now she needs assistance planting the seeds. Please contact Mrs. Quaintance or Comm. Wilfong if you are interested in assisting Mrs. Quaintance.
