- Alder. Carrignan explained his concern about traffic flow and the length of this agreement. We want the buses here and we do, but we want to understand the flow. I would like to tie this to Motion 6. My concern is this, we have done a traffic study but we don't know the actual results of the study. We should do an annual review of traffic and see how it is going.
- Mayor DeWitte explained that he thinks this is a good idea and it would be appropriate on an annual basis to review traffic patterns.
