Executive Summary:

The Police Department is seeking to replace four squad cars. The purchase is for four Dodge Chargers. Three squads meet the requirement for replacement and one was destroyed in a fire at a body shop. Insurance money from the body shop will cover the entire cost of the one squad. The other three are budgeted items for the 12/13 fiscal year. The request is being made at this time due to a deadline of April 27, 2012, for ordering. This has been reviewed and approved by the Fleet Management Committee.

St Charles Chrysler Dodge Jeep Ram has provided a quote that is \$257 less than the Suburban Purchasing Contract. The squads will be black and white to match the current fleet.

The Department conducted a review of squad car options after the loss of the Crown Victoria. The review considered the Impala, Caprice, Charger, and Ford PPV. The Charger was the recommended vehicle.

The cars to be replaced are city vehicle numbers 1720, 1742, 1898 and 1922.

Cost per car - \$24,033.
