## TriCity Family Services Day

- Whereas,** TriCity Family Services has served the residents, businesses and schools of Batavia, Geneva and St. Charles with quality mental health services since its founding in 1967; and,
- Whereas,** the affordable, accessible counseling, crisis intervention, prevention, early intervention and employee assistance services of the agency have touched the lives of thousands of residents in need; and,
- Whereas,** school staffs, law enforcement officials, city government leaders, and state agency personnel all point to TriCity Family Services as an organization that contributes immeasurably to the mental health and quality of life in the TriCity area; and,
- Whereas,** TriCity Family Services promotes service excellence, honesty, hopefulness, personal responsibility and respect for others; and
- Whereas,** over 3,000 individuals in central Kane County are served each year by TriCity Family Services' skilled counselors and therapists; and,
- Whereas,** TriCity Family Services serves all ages and all income levels with high quality, affordable, outpatient mental health services; and,
- Whereas,** TriCity Family Services never denies services based on an inability to pay; and,
- Whereas,** May is national Mental Health Awareness Month and TriCity Family Services is making a significant impact on the mental health needs of our community.

**NOW, THEREFORE,** we the mayors of the cities of Batavia, Jeffrey D. Schielke, Geneva, Kevin R. Burns, and St. Charles, Donald P. DeWitte, do hereby proclaim May 1<sup>st</sup>, in perpetuity, shall hereby be known as **TRICITY FAMILY SERVICES DAY** in the city of Batavia, Geneva and St. Charles.
