Proposal for garbage enclosure						
EXECUTIVE SUMMARY:						
<p>Proposed is the installation of a garbage enclosure for the Alibi Restaurant. The enclosure would be placed on the north wall of the building, along Cedar Street, approximately at the former location of the auto murals.</p> <p>The enclosure will be placed on the street right-of-way and will cover a portion of the public sidewalk. The sidewalk in this location is approximately 10 feet wide. The enclosure will extend 3 ft. 6 in. from the wall.</p> <p>The enclosure will be a metal chainlink fence structure covered with cedar boards. The design is similar to the enclosure located on Riverside Avenue (outside of Pi Pizza).</p>
