Executive Summary:						
<p>Prompted by a resident request, a review of the necessity of a four-way stop sign at 7th Street and State Street was conducted. The Police Department found that this request did not meet warrants.</p> <p>City staff was asked to provide more information at the next Government Services. The Police Department did meet with the resident who requested this review. Although the study did not meet warrants to install the stop sign, per the conversation, several other safety measures will be taken at this location, which include:</p> <ul style="list-style-type: none"> • Striping at the crosswalk • Installation of signage notating either “Children at Play” or “School Bus Stop Ahead” <p>Upon review, if it appears necessary, the bus stop location can be relocated with the assistance of D303. The stop is presently at the southeast corner of the intersection.</p>
