

We, the residents of St. Charles, Illinois, petition our elected and appointed representatives of our City Council to take heed:

- Whereas the property referred to herein is the Corporate Reserve PUD, Lot 8 – The Groves, that portion located northwest of Woodward and Corporate Reserve Drive, and
- Whereas in 2008 a zoning change was requested by, and granted to, the current developer, and
- Whereas the vision of the currently active "Comprehensive Plan" for this property is that of office and research property to develop a corporate park for professional business in the City, and as such should remain, and,
- Whereas there has been significant continuous opposition to the proposed residential development by residents of the City.

We therefore direct our elected and appointed representatives of our City Council to deny the developer's request for any change of Zoning on the above-referenced property.

I certify that, to the best of my knowledge, the names contained on this petition are residents of St. Charles, Illinois, and that each name is of one person that I did personally witness complete that entry.

Signed:

*Sheila M. Minnick*

Date: Dec. 6, 2012
