Executive Summary:

Lou Little, applicant, who owns the property at 116 State Avenue, has requested a Four Season - Corridor Improvement Grant for landscaping improvements.

The Four Season – Corridor Improvement Grant program was created to provide small grants for property owners to create year-round decorative landscape treatments. The Four Season grant differs from the typical corridor grant, as there are no required matching funds. Instead, there is a maximum dollar amount of \$1,000 to be used for plant materials and labor.

The Corridor Improvement Commission reviewed the design and recommended approval of the grant on March 6, 2013.

THIS AGREEMENT, entered into this 15th day of April, 2013, between the City of St. Charles, Illinois (hereinafter referred to as "CITY") and the following designated APPLICANT, to wit:

APPLICANT Name: **Lou Little**

Address of Property to be Improved: **116 State Avenue**

PIN Number(s): **09-27-380-007**

Property Owner's Name: **Lou Little**

WITNESSETH:

WHEREAS, the CITY has established a **Four Season Corridor Improvement Program** to provide \$1,000 grants for landscaping and related improvements within the Randall Road, Main Street, Kirk Road, and Special Service Area 1B of the CITY; and

WHEREAS, Lou Little, APPLICANT, desires to install landscaping and related improvements to the above-described property that are eligible for reimbursement under the Corridor Improvement Program; and

WHEREAS, said Four Season Corridor Improvement Program is administered by the CITY with the advice of the Corridor Improvement Commission and is funded from the general fund for the purposes of improving the aesthetics of the commercial corridors of the CITY and preventing blight and deterioration; and

WHEREAS, the above-described property for which the APPLICANT seeks a grant is located within the area eligible for participation in the Four Season Corridor Improvement Program.

NOW, THEREFORE, in consideration of the mutual covenants and agreements obtained herein, the CITY and the APPLICANT do hereby agree as follows:

SECTION 1: The APPLICANT understands and agrees that only the cost of eligible improvements located at 116 State Avenue on parcels with the following PIN(s) 09-27-380-007, and landscape design fees associated with those improvements, shall be considered reimbursable as shown in Exhibit II. The CITY will reimburse the APPLICANT up to \$1,000 of the cost of labor, materials and equipment necessary to install landscaping and related improvements in accordance with the approved plans, specifications and cost estimates attached hereto as Exhibit “I” (the “Improvements”), but in no event more than the maximum amounts as defined below:

Landscape improvements cost: \$1,000.00 City’s Share: not to exceed \$1,000

Labor by the APPLICANT (“sweat equity”) is not a reimbursable expense. All Improvements shall be installed in accordance with Exhibit I, subject to minor revisions as may be approved by a representative of the Corridor Improvement Commission due to availability of landscape plants, field conditions not known at the time of design, and similar circumstances beyond the APPLICANT’s control.

SECTION 2: The Director of Community Development, or designee, shall inspect the Improvements installed pursuant to this Agreement. Such inspection shall not replace any required permit inspections by the CITY. All work that is not in conformance with the approved plans and specifications shall be remedied by the APPLICANT and deficient or improper work shall be replaced and made to comply with the approved plans and specifications and the terms of this Agreement.

SECTION 3: Upon completion of the Improvements and upon their final inspection and approval by the Director of Community Development, or designee, the APPLICANT shall submit to the CITY a properly executed and notarized contractor statement showing the full cost of the Improvements as well as each separate component amount due to the contractor and each and every subcontractor involved in furnishing labor, materials or equipment in the work. In addition, the APPLICANT shall submit to the CITY proof of payment of the contract cost pursuant to the contractor's statement and final lien waivers from all contractors and subcontractors. The CITY

shall, within thirty (30) days of receipt of the contractor's statement, proof of payment and lien waivers, the landscape architect's statement, and “before” and “after” pictures of the property, reimburse the APPLICANT for up to \$1,000.00 of the actual construction and materials cost or the maximum amount specified in this Agreement.

At its sole discretion, CITY may reimburse APPLICANT in two payments. The first reimbursement may be made only

- 1) upon completion of Improvements representing 40% or more of the maximum reimbursement specified in Section 1 hereof and,
- 2) upon receipt by CITY of the landscape designer’s invoices, contractor's statements, proof of payment and notarized final lien waivers for the completed Improvements and,
- 3) upon a determination by the Director of Community Development, or designee, that the remainder of the Improvements are expected to be delayed for thirty days or more following completion of the initial work due to weather, availability of materials, or other circumstances beyond the control of the APPLICANT. The second, final reimbursement payment shall be made by CITY only upon submittal of all necessary documents as described herein.

SECTION 4: All Improvements must be completed within 270 days after the approval of this Agreement by the City Council, unless otherwise authorized by the CITY. Extensions may be approved by the Director of Community Development, prior to the expiration of the said 270 days. Projects which have not received an extension and have not been completed within 270 days will not receive funding.

SECTION 5: If the APPLICANT or his contractor fails to complete the Improvements provided for herein in conformity with the approved plans and specifications and the terms of this Agreement, then upon written notice being given by the Director of Community Development to the APPLICANT, by certified mail to the address listed above, this Agreement shall terminate and the financial obligation on the part of the CITY shall cease and become null and void.

SECTION 6: Upon completion of the Improvements pursuant to this Agreement and for a period of five (5) years thereafter, the APPLICANT shall be responsible for properly maintaining

such Improvements in finished form and without change or alteration thereto, as provided in this Agreement, and for the said period of five (5) years following completion of the construction thereof, the APPLICANT shall not enter into any Agreement or contract or take any other steps to alter, change or remove such Improvements, or the approved design thereof, nor shall APPLICANT undertake any other changes, by contract or otherwise, to the Improvements provided for in this Agreement unless such changes are first approved by the Corridor Improvement Commission. Such approval shall not be unreasonably withheld if the proposed changes do not substantially alter the original design concept of the Improvements as specified in the plans, design drawings and specifications approved pursuant to this Agreement.

If within the 5-year maintenance period plant materials are damaged by automobiles, wildlife, acts of nature, or stolen or any other cause, the APPLICANT shall install and pay for replacements.

OWNER agrees to provide regular maintenance of the property for a minimum of five years following completion of construction in a condition that is weed free, properly edged and mulched as specified in the original design, and maintained with the same type and quantity of plant material initially installed, unless a modification to the plan is approved by the Corridor Improvement Commission.

In the event of inadequate maintenance, the CITY shall give the owner reasonable notice of conditions to be corrected. In the event that substandard maintenance still exists after thirty (30) days, OWNER shall repay the CITY all grant funds received pursuant to this Agreement and pay all costs and fees, including attorney fees, of any legal action taken to enforce the maintenance of the Improvements.

SECTION 7: The APPLICANT covenants and agrees to indemnify and hold harmless the CITY and its officials, officers, employees and agents from and against, any and all losses, claims, damages, liabilities or expenses, of every conceivable kind, character and nature whatsoever arising out of, resulting from or in any way connected with directly or indirectly with the Corridor Improvement(s) which are the subject of this Agreement, including but not limited to actions arising from the Prevailing Wage Act (820 ILCS 30/0.01 et seq.) The APPLICANT further covenants and agrees to pay for or reimburse the CITY and its officials, officers, employees and agents for any and

all costs, reasonable attorneys' fees, liabilities or expenses incurred in connection with investigating, defending against or otherwise in connection with any such losses, claims, damages, liabilities, or causes of action. The CITY shall have the right to select legal counsel and to approve any settlement in connection with such losses, claims, damages, liabilities, or causes of action. The provisions of this section shall survive the completion of said Corridor improvement(s).

SECTION 8: Nothing herein is intended to limit, restrict or prohibit the APPLICANT from undertaking any other work in or about the subject premises, which is unrelated to the Improvements provided for in this Agreement.

SECTION 9: This Agreement shall be binding upon the CITY and upon the APPLICANT and its successors and assigns with respect to the property on which the Improvements are installed, for a period of five (5) years from and after the date of completion and approval of the Corridor improvement provided for herein. It shall be the responsibility of the APPLICANT to inform subsequent owners and lessees of the provisions of this Agreement.

IN WITNESS THEREOF, the parties hereto have executed this Agreement on the date first appearing above.
