**Executive Summary:**

At the request of Coca-Cola, the Police Department reviewed a potential safety situation along Industrial Drive, where cars were parking too close to their south driveway. The cars parked there were creating an unsafe situation for the trucks getting in and out of the plant. In review of the existing ordinance, the area was prohibited from parking along the west side of Industrial to a point 570 feet north of Production. The ordinance revision recommended by the Police Department is to increase that distance to 625 feet to improve access to the drive.

Exhibit 26 is to be modified to reflect this change.
