Executive Summary:

Enclosed are tax levy ordinances for levy year 2013 to be collected during calendar year 2014. The proposed operating levy will be maintained at a dollar amount consistent with the 2009 operating levy. The EAV of the City is not finalized at this time so staff is unable to calculate the precise tax rate generated.

Staff is anticipating that the EAV of the City will decline by approximately 4.50%. If this occurs and the dollar amount of the levy is unchanged, the rate generated would increase comparably to the decrease in the EAV. However, the City portion of a resident's tax bill would remain the same as in 2012 if their property valuation has declined by that same 4.5%. The City Council has the option to reduce the amount of the levy once the final EAV of the City is known in 2014.

The ordinances presented incorporate the Special Service Areas (SSA's) of the City as well as the amounts necessary for principal and interest payments on the City's general obligation bond issues. It is anticipated that the debt service property tax levies will be abated in January. The City has historically made these principal and interest payments from the general revenue stream rather than the property tax revenue stream.

The ordinances enclosed also incorporate the Mental Health Board levy, as well as fully funding the City's Police and Fire Pension Funds based on our independent actuary's recommendation and recent changes to state law.
