Executive Summary:

Koz Trucking, Inc. FY2014/15 low bidder for Hauling/Excavation is on the attached bid results. The majority of the time these services go "hand in hand," as we have spoils hauled from St. Charles to South Elgin. We, therefore, recommend approval of FY2014/15 hauling/excavation. Areas of work will be only on an as needed basis.

BID TABULATION FOR 2014/15 EXCAVATING HAULING

This work (if at all needed) ranges from possibly digging out streets to be replaced, possible assistance for any Public Works Division or emergency work. Volume of work depends on how busy Public Works Divisions are; possibly no work may be issued at all. All bidders are asked to list hourly rates for equipment (including operator), trucks (including driver). All equipment is assumed (by the City) to be available (with operator/driver) on demand, within a reasonable amount of time.
