Executive Summary:							
<p>Over the past ten (10) years, the City has been utilizing Raise-Rite to help maintain our city sidewalks. Raise-Rite is a specialty contractor who levels the concrete sidewalk by lifting the concrete slab, therefore mitigating any tripping hazards. As part of our sidewalk program, City Staff analyses our sidewalks on an annual basis and determine whether grinding, lifting or replacing a section of walk is most appropriate. This year we estimate that the lifting services provided by Raise-Rite will be about \$34,000. Raise Rite has agreed to hold pricing from last season.</p>

REQUEST FOR WAIVING BID PROCEDURE

We request the City Council to waive the bid procedure and accept the quotation (requiring two-thirds City Council vote) submitted by:

Raise-Rite Concrete Lifting
195 Kehoe Blvd., Unit 5
Carol Stream, IL 60188

For the purchase of: Sidewalk Maintenance Service

At a cost of: \$ 34,000

Reason for the request to waive the bid procedure: Raise-Rite Concrete Lifting provides a specialty type service for our community. After competitively bidding the service five years ago, Raise-Rite has maintained their low costs with only slight increases. To verify if services were still competitive, city staff received two other quotes in 2013 confirming Raise-Rite's bid. Raise-Rite has provided the City with excellent service over the past ten years and leaves us with no doubt they will continue to do so. Raise Rite has agreed to hold pricing from last season.

Other Quotations Received: Two
