Executive Summary:

We are seeking approval to purchase a new 2014 International 7400 SFA 6x4 Chassis with a Monroe plow package.

Bids have been taken through the Suburban Purchasing Cooperative (SPC) Joint Purchasing Program. Rush Truck Centers' \$149,387 quote honors the closed State bid price. We, also, received a qualified quote to add Monroe plow package. Therefore, we would like to award this vendor this quote of \$149,387.

This vehicle was budgeted and approved in the 2014/15 budget year and approved by the City Fleet Committee.

We are also seeking approval to dispose (via on-line auction) of the replaced Vehicle #1863 a 2004 International 7400 SFA 6x4.
