1. Hitchcock Design Group Presentation

The consultant team led by Hitchcock Design Group began working with the Active River Task Force (St. Charles Park District, City of St. Charles, River Corridor Foundation and Kane County Forest Preserve) in the beginning of April 2015 to engage the public and update the 2002 River Corridor Master Plan. At this time the consultant team and Active River Task Force has completed the first phase of this process through community workshops and stakeholder input. The consultants will present a summary of opportunity analysis and preferred improvement recommendations, anticipated economic impacts and preliminary strategies to the Park Board of Commissioners and City Council for further input and discussion prior to completing final vision plan in August.
