**Executive Summary:**

At the February 24, 2014 Government Services Committee meeting, Committee members approved a motion of support for the Active River Project, as presented by John Rabchuk.

Since that time, a Task Force consisting of members from the St. Charles Park District, Kane County Forest Preserve, the City of St. Charles, the River Corridor Foundation, and some St. Charles residents have been assembled and been meeting regularly to advance this project. Recently, the Task Force has issued a Request for Qualification (RFQ) to perform an update the River Corridor Master Plan and plans to execute an agreement with the selected vendor.

Members of the Task Force will update the Council Committee on the progress that has been made to date.
