**Executive Summary:**

In February of 2014, the Fire Department issued an RFP for the selection of Personal Protective Equipment. This equipment includes the protective coat and pants worn by firefighters during their responses to fire and other emergency's. The RFP was sent to four vendors and three submitted proposals. The results were as follows:

Fireground Supply	\$2,189.00/set
WS Darley	\$1,995.40 /set
Air One	1,995.00/set

Air One Equipment Incorporated was the vendor selected at the end of the competitive process. The Fire Department desires to place an order for 13 sets of Morning Pride personal protective equipment from Air One Equipment Incorporated at a cost of \$25,935. This purchase will enable the Fire Department to replace some current equipment which is out of date and this is a budgeted expense.
