Estimated Cost:		\$26,977		Budgeted:	YES	X	NO
If NO, please explain how item will be funded:							
Executive Summary:							
<p>We are seeking approval to purchase a new 2015 Ford Utility Police Interceptor AWD.</p> <p>In 2010, the Police Department began to migrate to the Dodge Charger as a replacement patrol vehicle. This was due to many factors, including the fact that Ford would no longer be manufacturing the Crown Victoria. Since that time, the Chargers have become operationally ineffective to our needs.</p> <p>After conducting research on a suitable replacement vehicle, we have determined that the Ford Utility Police Interceptor best meets the Departments operational needs, as follows:</p> <ul style="list-style-type: none"> • The base price of the Ford Utility (\$24,800, without equipment options) is just slightly higher than that of the Charger (\$23,064, without equipment options). • The fuel economy of the Ford (16/21 mpg) as compared to that of the Charger (16/25) is similar. • The Ford Utility is “all-wheel-drive”, which provides for a more safe and effective emergency response during winter operations. • The size of the Ford Utility is sufficient to accommodate all officers and their personal gear, as well as the increasing amount of equipment that must be carried. • The Ford Utility vehicles will retain a substantial resale value at the end of their service time. <p>Quotes have been taken, local and through the Suburban Purchasing Cooperative Joint Program. Zimmerman Ford’s quote could not match Currie’s low quote. Therefore, we would like to award Currie Motors Fleet this quote of \$26,977.</p> <p>This vehicle was budgeted and approved in the 2014/15 budget year and approved by the City Fleet Committee. We are also seeking approval to sell/trade-in the replaced Vehicle #1704, a 2010 Ford Crown Victoria.</p>
