Executive Summary:

In conjunction with the implementation of the FY 15-16 budget, Staff is seeking approval of the attached Ordinances to enact changes in the utility rate structure. These ordinances reflect the rates utilized in the preparation of the FY 15/16 budget presented to and approved by the City Council on April 6. Please note that the non-resident surcharge provisions have been removed from all three of the rate ordinances.

The changes to the rate structures proposed continue the City Council's commitment to assure the long term financial viability and sustainability of the utilities in conjunction with the rate study passed in May of 2011.
