To: The Honorable Ray Rogina, Mayor-Liquor Commissioner
From: James Keegan, Chief of Police
Re: Background Investigations-Liquor Establishments

The purpose of this memorandum is to document and forward to your attention the results of the background investigations conducted by members of the St. Charles Police Department concerning the below mentioned establishments.

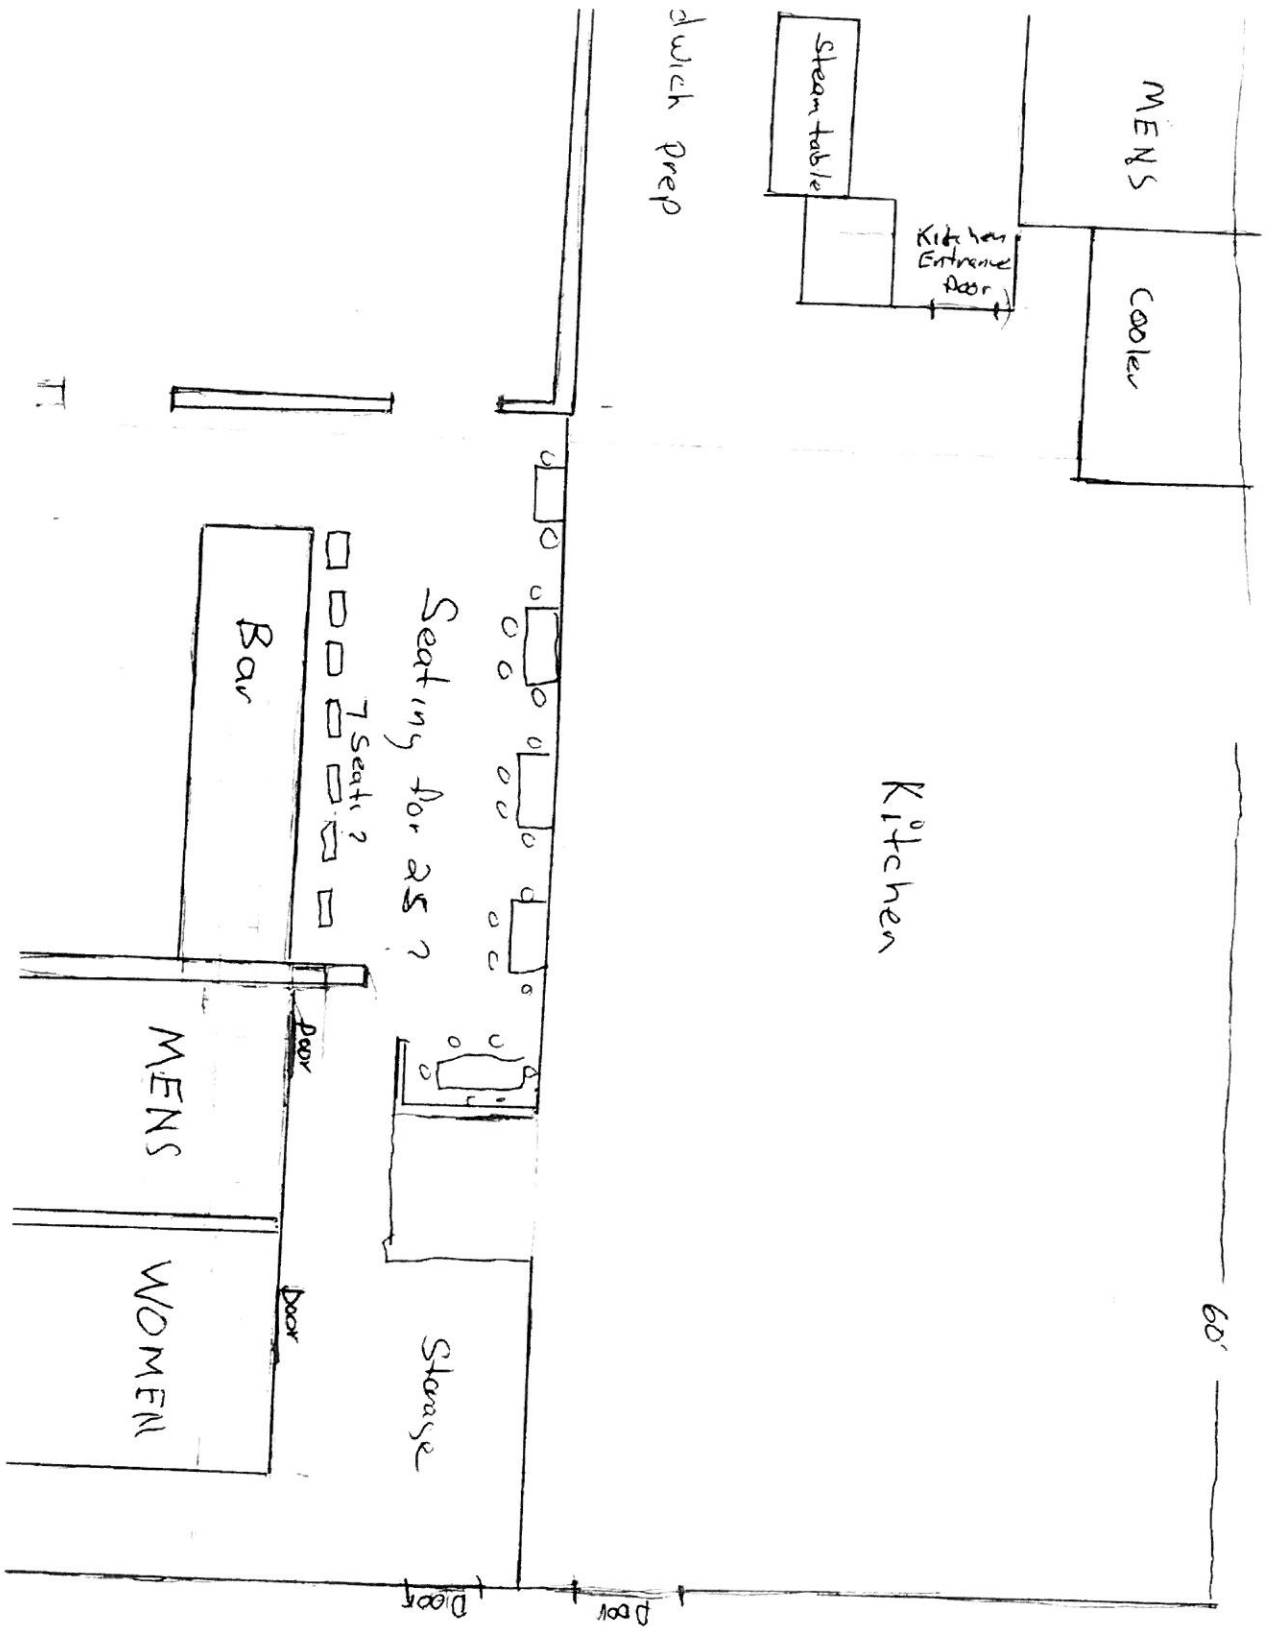

As is customary procedure, a detective was assigned each of these investigations and reviewed both the site location and the corresponding applicants of these proposed liquor license applications.

We found nothing of a derogatory nature that would preclude either the site location or the applicants from moving forward with liquors sales and/or on-site consumption, subject to City Council approval.

Thank you in advance for your consideration in these matters.
