**Executive Summary:**

We are seeking approval to purchase a new 2016 Ford E-350 Cutaway Chassis van, with Knapheide service Body modifications, for use by Public Works Department's Electric meters' staff. Two quotes have been taken, one local, and the other through Currie Motors Frankfort, Inc. Both quotes include modifying a KUV 129SUK Ultra low 11' service body the City has used in the past for other units. The Currie Motors' Frankfort, Inc., \$31,460 quote includes a \$9,780 municipal discount beating Zimmerman Ford. Therefore, we would like to award Currie Motors Frankfort, Inc., the quote of \$31,460. This vehicle was budgeted and approved in the F.Y. '15/16 budget year and approved by the City Fleet Committee.

Currie Motors Frankfort, Inc.	\$31,460
Zimmerman Ford Local vendor	31,761

We are also seeking approval to sell the replaced 2001 Chevrolet G2500-Van Vehicle #1981 via the online auction site.
