

	AGENDA ITEM EXECUTIVE SUMMARY					
	Title:	Recommendation to Approve Design Engineering Services for the South Tyler Road Reconstruction / Resurfacing Project				
	Presenter:	Karen Young				
<i>Please check appropriate box:</i>						
	Government Operations		X	Government Services 11.23.2015		
	Planning & Development			City Council		
Estimated Cost:	\$59,902.32	Budgeted:	YES	X	NO	
Executive Summary:						
<p>South Tyler Road is programmed to be reconstructed from South Tyler Road to Cambridge Drive and resurfaced from Cambridge Drive to Division Street. Request for Qualifications/Proposals were sent out to four engineering firms for the design of this work including Civiltech Engineering, HR Green, Robinson Engineering and Thomas Engineering Group. Qualifications and proposals were received by everyone except Thomas Engineering Group.</p> <p>Staff conducted a thorough review of qualifications submitted by all firms and utilized a ranking system to evaluate several different categories for each firm. Staff selected HR Green of Yorkville based on this ranking system and agreed price was negotiated. HR Green has extensive experience preparing design plans and specifications for roadway reconstruction and resurfacing projects. In addition, they have been successfully working with City Staff on the 7th Avenue Creek Project and recently completed the field surveying work for the South Tyler Road project.</p> <p>Bidding and construction is scheduled to take place this spring.</p>
